Antioch's Planned Ordinance presented

Father Johnson, pastor of St. Peter's Church, presents Mr. Al Dittman with the 1973 VIP plaque at the 5th Annual VIP Dinner-Dance on Saturday, March 31st. More pictures and information on Page 5. (Staff Photo)

A copy of the proposed Antioch Planned Development Ordinance was presented at the Planning Commission meeting on Thursday, March 29th. The Ordinance was prepared and presented by The Lake County Regional Planning Commission and members of the Antioch Planning Commission.

The Planned Development Ordinance has now been turned over to the Village Engineer, Frank Angelotti, and the Village Attorney, Ken Clark to review prior to the next meeting of the Planning Commission on April 26th.

The proposed Ordinance in-

cludes 17 sections beginning with the purpose of the ordinance itself. It includes: Permitted uses, qualifying requirements, application procedures, preliminary development plans, approval of final development plan, zoning administration permits, enforcement of development schedule, amending the final plan and post completion regulations.

After the Ordinance is reviewed the Planning Commission will make their recommendation to the Village Board, who will make the final decision as to whether or not the Ordinance will be accepted by the Village.

Board okays Curnes development

Comprehensive Plans to begin again

On Wednesday, March 28th, Bob Bemis, chairman of the Antioch Planning Commission, received an encouraging letter from Joseph Hertlein, who is the Senior Community Planner of the Lake County Regional Planning Commission.

Hertlein stated in his letter that work is progressing on the County Comprehensive Plan, and he now feels that it is possible to start a concentrated effort to make major gains in completing the Antioch Comprehensive Plan.

"It is my personal pledge to you that at your next meeting, April 26, 1973, I will be prepared to present to you and the Commission, a final copy of each of the eight maps listed in the status report, four of which are now completed. I will also present rough draft copies of

each of the six studies mentioned," Hertlein stated.

According to Hertlein the following maps have been completed: the base map, the base map with municipal boundaries showing 1½ mile jurisdiction, the soils map, and the soils interpretation map - Septic.

Work has also begun on the following maps: The soils interpretation map-wetness, soils interpretation map-urban, the soils interpretation map-agriculture, and the flood plain map. Work has begun on the population study for the Village and will soon begin on the Economic, Housing, Community Facilities, Transportation, and Financial Studies for the Village.

This is all part of the 1st phase
Continued on Page 2

Arbor Limited Development received the Village Board's final approval at last Monday night's Village Board meeting.

Mayor Toft said the Zoning Board of Appeals met last Friday evening and gave their verbal approval of the Special Use Ordinance that was drawn up specifically for the Curnes Property.

A verbal recommendation was made due to the shortage of time between meetings.

The Arbor Ltd. development will now consist of 222 units instead of the originally planned 270 units. The units will consist of 182 townhouses with 91 two bedroom units with a third room to be used as a den or study and 92 townhouses with 3 bedrooms. Then 40, two bedroom units in 10 buildings also.

The developers have agreed as it is stipulated in the Special Use Ordinance, to pay as a donation to the Antioch School district, \$150 per dwelling unit. The payment will be made to the Antioch Village Clerk when the Occupancy Permit for the

unit is issued.

Board member, Robert Wilton questioned the enforceability of such an agreement and commented that at the recent Lake County Homeowners Association meeting they said it was not enforceable.

Attorney Ken Clark argued that the agreement to donate the money to the schools is just as binding as the rest of the agreements in the Ordinance. Clark said, "The Ordinance is not valid unless the developers comply to all of the agreements in the Ordinance."

The main question was what is considered to be binding and what is not?

Wilton suggested the present agreement between the schools and the developer be put into writing. He said, "Actually these developers should pay more because they are already in the Village and do not have to pay an annexation fee. They should be able to afford more and there should be a signed agreement."

Clark further commented, "I don't understand why the schools should be part of the

contract when it is already binding?"

Edward Van Dellouten, the attorney representing the developers, reassured the Board that the fee to the schools will be paid and "it has already been figured into the total cost."

Board member, Irving Walsh questioned the practicality of having Greenbriar a Dead-End street.

Walsh said, "I don't see any reason why we need another dead-end street, don't you think the Village has enough of them

However, the Board agreed to leave Greenbriar as a closed street, but it will remain so, subject to the Board's discretion.

When all was said and done, the Board passed the Special Use Ordinance and Robert Wilton passed the only negative vote.

Village Engineer Frank Angelotti announced that bids for the Storm Sewer System for Main Street, Parkway and First Streets will be opened on April 16th at 11:00 a.m.

Last year the Studio presented the Chamber with portraits of past presidents, Grant Spong and LaVerne Woods and the 1972 President, Hilliard Tobieski. Each year the Studio will present a portrait of the incumbent president for the Chamber gallery. (Staff Photo)

TOWNSHIP MAY CONTROL NOXIOUS WEEDS UNDER DEUSTER BILL

The Illinois House Committee on Counties and Townships today approved House Bill 382 introduced by Rep. Donald E. Deuster to allow townships to control noxious weeds by agreement with the county.

In explaining the bill, Deuster said: "For many years such weeds as marijuana, ragweed, Canada thistle, Johnsongrass, sow thistle, giant foxtail, hoary cress, field bindweed, Russian knapweed, lealy spruce and sorghum allum were controlled by the township. Then, a

confusing 1972 law gave control to the county. My bill simply allows the county and township to agree that the township may enforce the law."

State Senator Karl Berning introduced a companion bill, S. B. 97, which is scheduled for a hearing before the Senate Committee on Agriculture, Conservation and Ecology.

Both proposals were suggested by Lake County Board Chairman Ronald R. Coles of Lake Villa Township. Chairman Coles prefers not to create a new special County Department for weed control, but rather to allow township enforcement which he believes is more efficient and economical.

Deuster's bill will be considered by the full House of Representatives in the next thirty days.

Comprehensive Plans to begin again

Continued From Page 1

of a four phase schedule for the completion of the comprehensive plan for Antioch. On January 27, 1972 the Village signed a contract with the Lake County Planning Commission to begin phase I of the study that was to be completed in 10 months. Work was delayed as the Lake County Comprehensive Plan received priority.

Previously the estimated time for the four phase study was scheduled to be completed within 24 months of the contract at an estimated total cost to the Village of \$6,950.

LIBRARY BONES UP ON FINANCIAL MATTERS

Finance is something that everybody is interested in these days and the Antioch Township Library is endeavoring to keep up with Financial reference materials. They have just recently received several sets of Standard and Poor's editions of various types of financial needs and procedures. The books have been ordered on a trial basis and whether or not the library retains the editions will be determined on how much they are used.

The new editions include:

Standard and Poor's Corporation Records, which is a basic reference library of factual financial information on well over 6,000 corporations, with comprehensively detailed descriptions of background, financial structure securities, alphabetically arranged in six loose leaf volumes.

Industry Surveys, which is a service that provides a continuous economic and investment analysis of 38 leading industries, plus a summary of Canadian Industries.

American Exchange Stock Reports is a service providing individual reports on all stocks listed on the American Exchange.

Unlisted Stock Reports (over the Counter and Regional Exchanges) includes over 1,200 individual two-page stock reports covering issues traded over the counter and on regional exchanges.

The Standard New York Stock Exchange Reports, which consist of 1,400 two-page reports on all companies listed on the New York Stock Exchange, covering some 1,800 issues.

For some time now the library has also had the Standard and Poors Register of Corporation Directors and Executives, which is the leading national directory of executive personnel and lists 260,000 company officials.

FEATHER PILLOW CLEANING

Spring is bound to get here one of these days, so when you get bit by the "Freshen Everything Up" bug, stop and look at your bedding. Don't just clean and change your blankets and spreads, pick up those pillows and bring them in. They're probably long overdue. We'll have the feathers thoroughly sanitized and fluffed than refilled into brand new fresh as spring ticking for just \$4.00 each pillow. Don't just sleep on clean pillow cases - do it right!

THE POWER OF ONE

The great majority of us would not be overly happy or even a little bit enthusiastic if atheists should rule the world in the near future. It is a bit naive to think that such an event is a million light years away as the eye for an eye doctrine becomes more popular everyday and abortions have become an acceptable practice in most circles.

It is a familiar saying that one person cannot do much to change the world, but that statement is not totally true. The atheist crusader, Madelyn Murray O'Hare, succeeded in making it illegal to read the Bible or to pray in public schools. Presently, she has obtained 27,000 signed letters protesting the decision of the astronauts to read the Bible as a Christian message to the world from their space craft while orbiting the moon in December of 1968. She plans to present these letters to the National Aeronautics and Space Agency with a demand that the astronauts be publically censured for their act, and a further demand to prohibit a future demonstration of religion to public leaders.

In a time in which there are so many very important causes to fight for, it seems ludicrous that this woman is exerting such efforts to wipe out any evidence of a doctrine that preaches brotherly love towards all. Is a short prayer before class such a catastrophe for our children to experience? Was it really such an unnatural action on the part of the Astronauts while they floated through the eternal universe to acknowledge its creator?

Follow Madelyn O'Hare's power of one and do something to fight her atheistic crusade. An effort is now being made to secure ONE MILLION signed letters commending the astronauts for their actions. This would be an overwhelming defeat for Mrs. O'Hare and a great triumph for religious faiths.

To do this write a letter similar to the form letter below or cut this one out and send it in -- encourage your friends to do likewise:

Gentlemen:

I personally support and wholeheartedly appreciate the decision of the astronauts to read the Bible from their space craft as they orbited the moon during December, 1968. I further support the right of every human being to express his faith in God and the Bible publicly, without fear of censure.

Sincerely,

Be sure to sign your letter and send it today. Send it to:

National Aeronautics Administration
Manned Space Center
Astronauts Office
Houston, Texas 77058

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

Dear Editor:

I have noticed your candidacy for Village Trustee and believe you are eminently qualified for the post. However, the wisdom of your seeking office and allying yourself with any elected governmental body is questionable to me.

As a private citizen I like to feel that the news reporting is objective and unbiased. I find it difficult to believe that anyone can be a party to governmental community decisions and still present the various sides of an issue without bias. The unique position of newspaper editor in any locale is a position of power and influence and can be used for the good of all people.

Please forgive me for feeling that you compromise your position of presenting the facts with candor and impartiality by becoming a member of the Village Board, but the amalgamation of these two influential positions seems to be at cross purposes.

These are the expressions of a friend and admirer (Proverbs 27:5 & 6). You may use or withhold my name at your discretion.

Sincerely,

ALAN R. KNUTSEN

As a general rule I do not find it prudent to answer a letter directed to our Letters to the Editor column. In this case however, I feel that it puts me in a rather unique position of being able to explain my personal actions and set forth a very firm belief I have concerning basic community affairs.

To begin with, I would like to briefly answer the question as to my ability to run a newspaper and hold a village office if elected. I find it rather difficult to believe that my position as a

village trustee would have any effect on the reporting of the news. After all a newspaper does not MAKE the news, it only reports it. To be sure this reporting must be done fairly and as accurately as humanly possible and therein lies the key to the question; is a newspaper biased? Certainly a newspaper is biased, all news medias are biased, simply because one does arrive at a point of view in order to report the news. Therefore since one does, this point of view must also, to a degree, be biased.

A case in point would be the position the Antioch News has always taken on the issue of school referendums. Without question we have supported every school referendum that has been put before the general public, because we feel the needs of our educational system must be met, and this is a definite point of view. But in doing so, we have taken a very biased view point, to the point that in the vast majority of cases during the last few years, we have been with the minority view point. As you can see, one's point of view decrees his point of bias. If your point of view is the same as mine then there is no bias, if it is not, then one of us is biased.

As to the last question of a local newspaper or a position on the village board being one of power and or influence. First, the fact that I or anyone who is an editor of a local news media is in a position of power or influence is a myth long since gone with the advent of modern mass communication. As to the position of Village Trustee being one of great influence, one only has to attend a number of Board meetings to see the position only brings with it work and frustrations and very little influence. I do feel that in both the case of a newspaper editor and a village trustee they are part of a total community service and should serve with this philosophy in mind at all times. For it is because of their service to the community that they exist at all.

I appreciate your point of view. Thank you for letting me tell mine as well.

Joseph T. Rush
Editor

Editor:

Yes, the picture is the old Edgar House at Main and Orchard Street, Antioch. Mr. Edgar had the Hotel from 1907 - 1928. The picture was taken in the early 1900's. Archie Mapletorpe is in the drivers seat, he lived with his uncle Arthur Edgar and was the father of Jim and Tod Mapletorpe of Antioch. Arthur Edgar is the one with the checkered cap, Mr. Jrice is the one with the light colored coat, father of Mrs. Lester Nelson. I don't know the other gentleman. The bus was used to carry passengers to and from the Depot during the busy summer when almost no one had a car. Mr. Edgar was proprietor of the hotel over 20 years. The house north of the hotel and next to the Methodist Church was the old Billett house that Mr. Edgar bought in 1929 after selling the hotel, he had it raised and painted and we lived there for 20 years when Mr. Edgar, that fine old gentleman, passed away in 1948.

I still lived there until 1960, then I had it made into apartments and it was known as the Edgar Apartments.

In 1966 I sold it and the Mortensen's sold the hotel and both buildings were torn down and a 66 gas station was built on the corner of Main and Orchard Streets.

Well it was so nice to tell all this in my letter to you.

I am Ella (Edgar) DeLattre

Mr. Bob Wilton, Sr. sent in the picture.

NOTICE OF SPECIAL MEETING

A Special Meeting of the Board of Education has been called for by MR. WILLIAM E. BROOK, President of the Board of Education for Wednesday, April 4, 1973, in the Board Room at 7:30 p.m., for the purpose of transacting the following:

1. Discipline hearings.
2. Approve obligation of funds for E.S.E.A., Title II.
3. Curriculum report.
4. Special Education requirements.
5. End of year activities.
6. Personnel matters.
7. Staff negotiations.

EDITORIAL

DO IT YOURSELF!!!!

Only a fool makes the same mistake twice. If you didn't vote in the township elections yesterday, you should be ashamed. If you are complaining about the results of the elections today, the matter is even more scornful. The right of criticism or disdain does not belong to those of you who have made no contribution toward a desired outcome.

Don't make the same mistake on April 17th. Get out and vote for the candidates of your choice. Don't feel like everyone is going to vote the way you want to, you may be unpleasantly surprised. Don't sit back and let others do your job, it will get done better if you do it yourself.

NEWS DEADLINE

Monday Afternoon

Office Hours

The Antioch News

Mon., Tues..

Thurs., Fri.,

8:30 to 5:30

Wed., CLOSED

Sat., 9:00 to 2:00

The people at Floral Acres have been busy preparing for their spring season. Their greenhouses are filled with plants just waiting to find their way to various gardens in the area. (Staff Photo)

TOUR OF THE LOCAL GARDEN SHOPS

Now that spring is really in the air the local garden shops and florists are busy making preparations.

"This is the best spring weather we have ever had", said Paul Swartz of Swartz's Nursery and Garden Shop in Wilmot. This factor is really evident in touring the property as everything is growing well.

Swartz's operation covers 58 acres and is famous for its shrubs and trees. He said they grow a hardy line that will grow in this area. They do mostly retail work with the public, commercial, industrial and residential landscaping.

He commented, "People who plant shrubs, should get advice first. It takes years of experience to see what will grow. The same plant is not good in every situation. It costs very little to plant properly. Don't just stumble into it. Where to plant is important."

"Soils change with bulldozing and fill. Our game is to know what plants to put in so they won't have to be replanted."

Some 150 varieties of trees and shrubs are housed on the 58 acre site, that began in 1949.

Floral Acres on Route 83 in Antioch is another place to visit if you are going to be planting

this summer.

Besides the many wholesale cut flowers, Floral Acres raises 1,000 mums each year. The large green houses are full of bedding flowers ready for planting. Owner, Dick Hautzinger estimates they have 50 different varieties of geraniums alone.

"The weather in the next six weeks will tell the tale on how fast the bedding flowers will go" he added.

Floral Acres carries most everything for your lawn and garden. They are also carrying some of the new items too, such as the new Burpee Seed Tapes.

Hautzinger commented that he wholeheartedly recommended these tapes. "You can't miss," he said. "You just plant the strip (in some cases you just lay it on the ground) and then stand back..."

The seed tape allows you to plant accurately both garden vegetables and flowers.

A large selection of strawberry plants are also available and Hautzinger says that depending upon the weather, you would probably be safe to plant your strawberries after April 20th.

Lasco's Florist on Main Street is also busy preparing for the

upcoming season. Their green house is filled with blooming flowered plants and Paper White Narcissuses fill the area with an intoxicating aroma.

They carry a complete floral line as well as the new seed tapes. Just in is a new shipment of the popular terrariums and all the makings including small pottery items to complete the setting.

Lasco's will be receiving a shipment of bedding plants during the first part of May.

OLD DOLLS NEED LOVE TOO

Are there some old forgotten dolls in your home? If there are, please remember that old dolls need love too. There are many unfortunate children right here in Lake County, who would love to play with them.

What? You say they are in bad shape, they're missing some hair, clothes and even a few toes? Well that's no problem, at least not for Mrs. Shultis. For the past four years she has been repairing old dolls, making them new clothes, cleaning them and fashioning new hairdos. At the end of each year she contacts the Toys for Tot at Christmas time, and these restored dolls go to needy children all over the county.

So far Mrs. Shultis has about 20 dolls ready to go, each one lovelier than the next. However, she is almost out of old dolls to repair. If you have some forgotten dolls in your home, please give her a hand. You can drop them off at the Village Hall or bring them to the Shultis home at 1040 Bishop Avenue. And please remember....old dolls need love too.

DISASTER PREPAREDNESS MONTH

In observation of Disaster Preparedness Month the Antioch Civil Defense will review their disaster plans and recheck all emergency equipment, supplies and manpower. Edward Frazier, Antioch Civil Defense Director, said safety tips for tornado safety and flash floods are available from the Civil Defense office at 874 Main Street in Antioch. Frazier pointed out, "Most people are not aware of the difference between a "tornado watch" and a "tornado warning." Torna-

Mr. Swartz, of the Paul Swartz Nursery and Garden Shop in Wilmot, explains to reporter Kathy Kauss about the best location for planting Willow Trees. (Staff Photo)

Geraniums generally do not grow very big. But apparently this huge geranium in Lasco's Greenhouse didn't know that. A large line of geraniums will be arriving at Lasco's next month. (Staff Photo)

does and severe thunderstorms are not always preceded by the issuance of tornado watches or severe thunderstorm watches, because forecasting has not yet been developed to that point."

Frazier said, "The Watch tells people to go about their business, but to keep an eye on the sky and in touch with weather statements and warn-

ings issued by the National Weather Service. The Watch means the weather conditions are just right for a tornado to spawn."

The warning tells people of an actual sighting or an indication by radar and urges those in the danger path to prepare to take immediate cover for protection."

Some 500 people attended the 5th Annual VIP Dinner-Dance honoring Al Dittman last Saturday night, March 31st. The dinner was held in the decorated St. Peter's gym. A lovely variety of delicious food was prepared by Mrs. Katherine Wells and her committee.

Mayor Raymond Toft represented Antioch and presented Mr. Dittman with a plaque from the Village. Mike Haley acted as Master of Ceremonies. Father Johnson, who is the pastor of St. Peter's also presented Mr. Dittman with the

VIP award from the Church.

Ed Kurek arranged the program. He introduced and planned a "This Is Your Life" type show and many out of town friends were on hand to surprise the Dittmans.

All but two members of the 1942 undefeated Marengo, Illinois football team were present. They presented Mr. Dittman with a watch and a large painting of himself taken from a picture of Al when he coached the boys back in '42.

Mr. Robert Hanke from Mooseheart School, in Mooseheart, Illinois was also present. He and Mr. Dittman were classmates at North Central College and Mr. Dittman has been in association with Mooseheart School over the years.

The Illinois Association of School Administrators presented Mr. Dittman with a letter of recognition for all his service throughout the years. Al's high school mechanical drawing teacher (too ill to attend) also sent a letter.

Many superintendents were present including: Dr. Harold Richards, Retired Superintendent of Community District 216 (Alsip, Blue Island, Oak Town, etc.) who has served with Mr. Dittman on various state

organizations. Also present were Richard Warfield, Supt. of the Waukegan school district and Larry Rouse, Supt. of Grayslake.

One of Mr. Dittman's past board members, Bob Richardson was present along with an old fellow teacher, Bob Hart. Former student, Mike Frad, (now Supt. of the Marengo District) talked about when Mr. Dittman was principal of the Marengo High School. Emery Ebbert who preceded Al as football coach was also present.

Fellow football player and classmate, George Steinke and his wife were also on hand for the festivities. Chick Hearn, Los Angeles Lakers sportscaster, taped a message to his old classmate direct from the Lakers-Chicago Bulls game.

Superintendent of Antioch High School District, Warren Polley, said a few words as did State Bank and School Board President, Bill Brook. Both men expressed deep admiration for Mr. Dittman and all he contributed to the school system.

Dr. William Petty, Retired Lake County Superintendent of Schools closed the program.

Dancing to the music of the Scotsmen followed the program.

STATE AND NATIONAL ILLINOIS HOLSTEIN ESTABLISHES PRODUCTION RECORDS

Burley Laird Supreme 6823909 VG-88, owned by Judge and Mrs. Robert Hunter, Antioch, Illinois has just completed a DHIR record that places her first in both the 305-day and 365-day State Production Leaders List in both milk and butterfat divisions for Senior four-year-olds milked twice daily. Her record which started at 4 years ten months of age is: 4-10 2x 305 29170M 3.5 percent 1035F; 2x 365 32757M 3.7 percent 1204F.

On the National Production Leader List, "Supreme" currently stands fourth in milk in the 365-day division for Senior Four-year-olds milked twice daily. "Supreme" now holds six State Production records, being Illinois State Production Leader in both milk and butterfat divisions for Senior three

year-olds milked twice daily for 365 days.

An open house, in recognition of "Supreme's" outstanding achievements, will be held Saturday April 21, at Ravenglen Farm, Antioch, Illinois beginning at 1:30 p.m. The program will consist of A.C. "Whitie" Thomson, President of the Holstein-Friesian Association of America, Burlington, Illinois; Judge Robert L. Hunter, owner, Antioch, Illinois; M.B. Nichols, sales manager, St. Charles, Illinois; Edmond E. Fellers, Program Director of the Holstein-Friesian Association of America, Freeport, Illinois; Gary Harpstead, University of Illinois, Urbana, Illinois; C.E. Gibson, breeder, Paris, Kentucky; and Ken Young, American Breeders Service representative, DeForrest, Wisconsin. The public is invited to attend.

REMEMBER WHEN

REMEMBER WHEN? We don't, but we know that all it takes sometimes is a little reminder to jerk a memory and bring back recollections of those days gone by. Each week we print an old photo submitted by an Antioch resident. Some we will be able to identify. For others, we leave it to you to search your own mental scrapbook. Call us if you can identify a photo. Better yet, if you have a memorable photo to share, bring it in to the office.

MCHENNY COUNTY LIVESTOCK FEEDERS ASSOC. CONSIDER WITHHOLDING THEIR LIVESTOCK.

The McHenry County Livestock Feeders Association met today and have been considering withholding their livestock. If the American consumer does not want our product, we will consider exports to Japan and Europe.

Meat is selling for \$10.00 a pound in Japan. A stringy grass fed steak costs \$6.00 lb. in Brussels, Belgium. There is a terrific meat shortage throughout the world but the American public does not want to realize it. Facts and figures don't mean a thing. So this week is "Boycott the Farmer Week" by Mrs. Consumer.

Homer White, President of McHenry Livestock Feeders Assn. stated that the risks in farming are monumental. You not only have to fight the bugs, the weeds, the weather, the high

interest rates, the hue and cry of pollution, the unusually high livestock mortality rate this year, the high price of protein feeds, but also the demand for food to be cheap at the farmers expense.

Well known McHenry County cattle feeder, Lloyd Getzelman, said that the farming game makes Las Vegas look like child's play. Everybody is blaming the farmer, the middleman, the chain stores. Did they ever consider the high price of wages? I can give my steers away and the price will still be very high when it is purchased at the store. It's an economic fact that if you can't make a profit, you go broke.

George Meany wants a freeze on raw agricultural products and at the same time he wants a raise for labor. Doesn't he

realize that the high cost of labor makes the food prices so high. He's trying to create a worse shortage and a black market. A cattle feeder from Harvard says "Let him come out and spend a week with me and I'll show him what it's all about. In the farming industry, there are no paid coffee breaks, vacations, strikes and all kinds of fringe benefits. Livestock don't take holidays and they have to be cared for every day."

Farmers are consumers too says C.J. Budreck cattle feeder. When I hire an electrician for \$15.00 an hour I can't complain about it. When his wife goes to the store she complains about the high cost of meat. Incidentally, the chain store works on a very low margin of profit."

Two years ago the price of

70 YEARS AGO, APRIL 2, 1903

Mrs. Albert Herman and Mr. and Mrs. B.F. Naber moved this week to Grass Lake.

W.D. Wright M.D.C. late graduate of the Chicago Veterinary college, has located in Antioch and will receive calls and have his office at Hill's Drug Store.

50 YEARS AGO, APRIL 5, 1923

Barney Naber was re-elected supervisor of Antioch Township without opposition at Tuesday's election. John Horan was also unopposed for Constable.

Lillian Larsen entertained a number of her little friends at her birthday party. She received many pretty gifts. Lillian was 7 years old.

20 YEARS AGO, APRIL 2, 1953

Over 600 people attended the open house Dedication Ceremonies at ACHS on Sunday. Albert Dittman, principal introduced the main Speaker Eldon Finley, Asst. Superintendent from the office of the State Superintendent of Public Instruction.

Mrs. Joline Gaston was honored guest at a bridal shower, given by Mrs. William Meirdirk and Miss Mary Lou Wilton. She will become the bride of Mr. David Switzer of McHenry.

10 YEARS AGO, APRIL 4, 1963

With the heaviest vote turn-out ever recorded, Murrie and Ring, Republican Party Candidates for Town Supervisor and Road Commissioner, won by a comfortable margin over their closest opponents, Marvin Heath and Dick Waters.

Antioch Police Department was awarded by the Secretary of State Charles Carpenter, a "Civic Safety Award" given in recognition of outstanding Safety Promotion.

hogs dropped to .14 lb. There was little publicity about this. The price of eggs for the past two years was lower than depression levels. Many producers went out of business. Now that the price of livestock has come up for a slight profit level the consumer wants to boycott the farmer.

One livestock feeder reported that last November after President Nixon had removed all Import Quotas on red meat thus artificially depressing prices to the lowest level in 1972,

his steers were purchased at the Joliet market by an order buyer for Canadian meat packers. The Commissioner told him anytime American prices go below Canadian prices the Canadian buyers are on the market with orders to fill!

KINDERGARTEN ENROLLMENT SET

If you have a child who is five years old or one that will be five before December 2, 1973, then it is time to make some arrangements for kindergarten.

Kindergarten enrollment will be held in the Kindergarten through fifth grade buildings at Antioch, Channel Lake and Oakland, on April 16th through April 19th from 9:00 a.m. to 1:00 p.m.

Enrollment at this time is very important to the school and also to your child. Every Spring the school has trouble finding out how many kindergarten children they are going to have for the following year. As a result they have to make some hasty shifts of children and last minute plans.

The classroom shortage for next year makes it especially important that the schools have a fairly accurate count of the Kindergarten enrollment for next fall.

Therefore, the schools are asking for the help of all parents in the district. They are encouraging parents to enroll their five year olds during these days, or to at least call the school and tell them that the child will be enrolling later. They are also hoping that this information will be passed on by word of mouth, particularly to any parent that you know who has a child of kindergarten age.

FLOOR COVERINGS

When it comes to floor coverings their quality, appearance, durability - Ford Motor Company has a great deal to offer.

To begin with, all of the Company's 76 models, only eight - the lowest-priced in their respective lines - do not offer carpeting as standard equipment. But, in some of these cases, carpeting is offered as an option.

All carpeting is 100 percent nylon for greatest durability, and it ranges from a loop carpeting, for Pinto, up through the more expensive types such as cut pile, to deep cut pile in the Continental March IV.

This is the list of standard floor coverings - plus carpeting options - across the line of 1973 Fords, Mercurys and Lincolns.

GROVE SCHOOL ART DISPLAY OPENS COTILLION TICKET SALES

The Antioch Mental Health Association invites all community members to enjoy a display of art works in the lobby of the Antioch State Bank. The display has been provided by the Grove School for multiple handicapped children in Lake Forest, Illinois. The art and sculpture work has been done by severely handicapped children. Mrs. Pat Wylie, director of art, at Grove School has provided an interesting explanation of the children's art work.

Funds raised by the Thrift Shop and the Annual Cotillion provide much needed financial support for Grove School during the year. Many community members have given time and money to help these very special children.

Presentation of the children's art work will coincide with the opening of ticket sales for the 1973 Cotillion. The Antioch Mental Health Cotillion will be held on Saturday May 12th at the Ramada Inn, Highwood, Illinois. Cocktails, dinner and dancing will be the bill of fare.

Tickets are available at the Antioch State Bank, the First National Bank of Antioch, The Savings & Loan and the Thrift Shop. Please feel free to call ticket chairman Caroline Cost-off 395-5669 or Irene Hahn 395-0096 for reservations and further ticket information.

MRS. WILLIAM BROOK NAMED ANTIOCH CHAIRMAN OF AMERICAN CANCER SOCIETY

Mrs. William Brook of Antioch has been named Antioch Residential Chairman of the Lake County Unit of the American Cancer Society's 1973 educational and fund raising Crusade which begins April 1. Mr. Preston Reckers of the State Bank of Antioch will serve as Independent Business Crusade Chairman of Antioch.

The appointments were announced by Thaddeus Mr. Bond, Crusade Chairman of the Lake County Unit. Mrs. Brook and Mr. Reckers both said "The great advance of recent years in fighting cancer with drugs and by new methods of surgery radiation has added new meaning to the theme 'We Want to Wipe Out Cancer in Your Lifetime.' So we want to encourage every member of the community of Antioch to get a regular health checkup including cancer tests. Examples of

these tests are the Pap test for early detection of cancer of the cervix or neck of the womb, and the procto, and examination for cancer of the colon. Either of these types of cancer discovered in time can be cured."

Mrs. Brook and Mr. Reckers will also be urging everyone to support the vital ACS programs of research, education and service to cancer patients, to fight cancer with a checkup and a check.

The Cancer Crusade Kickoff dinner was held at the Deerpath Inn, Lake Forest, on March 22, 1973, at 7:30 p.m.

The Antioch goal for the Residential Crusade is \$800, and the goal for Independent Business is \$1,000. Both Mrs. Brook and Mr. Reckers agreed that there would be no problem in raising this goal as the Antioch people are aware of the Cancer problem.

RAYMOND TOFT

CANDIDATES SPEAK OUT

Antioch's candidates for Mayor made several public appearances during the last week. On Tuesday both Mayor Raymond Toft and Robert Wilton spoke to about 80 area businessmen at the Chamber of Commerce Luncheon. Members and representatives were present from both parties.

Independent candidate Marge Nelson joined Mayor Toft and Bob Wilton as they spoke to the Oakwood Knolls Association. About 100 to 150 people gathered at the State Bank of Antioch to hear the candidates speak.

ROBERT WILTON

NURSES ASSOCIATION SPONSORS SYMPOSIUM

16th District, Illinois Nurses Association of Lake and McHenry Counties will sponsor a symposium on "Continuing Education - an Individual Accountability or a Mandatory Requirement for Licensure Renewal?" Monday, April 9, at the Waukegan-Sheraton Motor Inn, Waukegan, 3:30 - 9:30 p.m. All Registered and Licensed Practical Nurses are invited.

Three speakers will conduct the symposium. Miss Eleanor L. Rowe, RN, BA, MSN, Associate Administrator for Nursing Practice and Contin-

uing Education, Illinois Nurses Association will speak on "What Constitutes Continuing Education?" Mrs. Signe C. Cooper, RN, MS, Professor of Nursing, University of Wisconsin, Extension, Madison, will speak on "A Voluntary Approach to Continuing Education." The third speaker will be Mrs. Myra E. Levine, RN, MSN, Associate Professor of Nursing, Loyola University, Chicago. Her subject will be "Do It - Or Else." At the end of the program, Miss Rowe will discuss goals for Illinois Registered Nurses.

The fee will be \$8.00 for members and \$10.00 for non-members and will include dinner. Reservations are to be sent by April 2 to CDR. Patricia Aunan, NC, USN, Naval Hospital Corps School, Great Lakes, Illinois 60088.

Dr. Katherine Barnes, Division Chairman of Developmental Services is shown explaining the College of Lake County's program to prepare aliens for the citizenship exam to Vicci Christensen, a naturalized Norwegian citizen and CLC employee. Individualized schedules for aliens are available at the College. The cost is \$10.75 per credit hour. For more information, contact Dr. Barnes at 223-8193, extension 54.

Along the Way with *Annie Mae*

Election time is here. Township, April 3, School Board, April 14; and village mayoral election on April 17. Exercise your right and get out and vote for the candidates of your choice.

Did anyone spot the hippo that has been roaming around the Antioch area?

April 9 is the first home baseball game. The Sequoits will take on the Zion Zee Bees in a non-conference opener. Good luck, fellas.

Mike Harvey just returned from a weeks skiing vacation in Colorado. He stayed with former Antioch residents, the George Hall's.

A speedy recovery to Marge Warner who fell and broke her ankle.

It has been mentioned to us that there are some American Flags flying in town that are in pretty bad shape. Might be wise to check the flags and see if they can be replaced. It is highly commendable to fly OUR flag, but after the winter, they sometimes show the wear and tear of the weather.

Birthday wishes this week go to Laurie Albergo on April 3, to Betty Smouse, Sue Kasik, Mike DeStefano and Eddie Poulos on April 4. Pat Harland celebrates on April 6, Lenore Dunlap and Steve Vos on April 7, and Bobby Carney and Karen Boarini on April 8. April 9 is the special day for Joe Rush. Seems like it's getting to be Jack Benny time eh Joe? Belated wishes go to Jerry VanPatten who celebrated on March 30.

Anniversary wishes go to Kathleen and Ed Johnson on April 4, to Lila and Ed Palinski on April 6 and to Betty and Jack Davis on April 9.

As usual, the VIP Dinner-Dance was a huge success. The homemade food was "out of this world" and dancing to The Scotsmen kept everyone moving. As far as I am concerned, they are tops to dance to. AND Mr. Dittman was truly a VIP, as proven by the many out of town visitors who came to make the evening a very special event. Mr. and Mrs. Cain, former Antiochians who are now residing in Beaver Dam Wis. were among those who attended, and of course, the Dittman's Daughter, Sharon Kenney and her husband Richard from Shorewood, Wis. Also all but two of Mr. Dittman's 1942 football team, and many others too numerous to mention. All in all, it was a fine evening and one that will be long remembered with thoughts of good fellowship.

Take time out tonight and visit the 3rd annual Fine Arts Show at the High School. The PTA meeting begins at 8 p.m., but come early and view the art on display.

Eve January has returned to Rockford College after spending the Spring break at home with her parents Mr. and Mrs. E.L. January. Eve is a sophomore at Rockford.

Little League sign up time is here too. April 7 is the first day for registration. Check the

WAUKEGAN AIRPORT TO RECEIVE STATE FUNDS

The Waukegan Memorial Airport will receive \$2.5 million in state funds, matched by \$2.5 million in federal funds, for land acquisition and runway widening and resurfacing, Gov. Dan Walker announced.

The Waukegan project was one of four airport construction plans approved by the governor.

He made the announcement after being convinced by Rep. John S. Matijevich (D-North Chicago) and Rep. Adeline Geo-Karis (R-Zion) that the improvements were essential to safety and area development.

The Waukegan project will involve the purchase of 251 acres of land to protect future development and the resurfacing of the NE-SW runway, which is now in a state of deterioration. The runway will also be widened from 75 ft. to 150 ft.

article in this paper and mark the dates on your calendar.

Even tho the sun isn't shining in the sky, keep it shining in your heart. Help boost your Springtime spirit by attending the "Fly Into Spring" fashion show put on by the Wesley Evening Circle at the United Methodist Church. The Dessert-Buffer will be held April 12th at 8 p.m. See further in the paper for more information.

See ya guys,

Annie Mae

Stanley Revell receives his badge from Chief Wells as Dispatcher, Garnet Cook and Meter Man, Fred Herdt look on.

STANLEY REVELL JOINS POLICE FORCE

Monday, April 2nd, was Stanley Revell's first day as a Patrolman on the Antioch Police Force. Revell just recently returned to Antioch after serving four years in the Air Force. He was stationed in Turkey for a year and in London for two and a half years. His lovely young London bride came with him.

Revell attended the Emmons

grade school and graduated from ACHS in 1965 where he was on the football team for 4 years and also did some wrestling.

After having been away from the Village for the last four years, Revell commented that Antioch "had not really changed too much, although there seems to be a little more activity on the street now."

FAMILY SERVICE AGENCY BANQUET

Robert Coulson, recently retired Illinois Senator, will address our 25th anniversary banquet and annual meeting on April 25 at the Swedish Glee Club in Waukegan.

A veteran of more than 25 years in public life, Mr. Coulson has compiled an enviable record of service with dedication and integrity. He served eight years as mayor of Waukegan, six years as member of the Illinois House of

Representatives, and ten years as Illinois Senator. Previous to his mayorship he had been employed as assistant state's attorney.

As Asst. State's Attorney in the years following the Second World War, Mr. Coulson was impressed with the great lack of social agencies to serve youth who were brought before the Court for various reasons.

Reservations for the event can be made by calling 662-4464

Pop A Basket For Easter Fun

POPCORN BASKETS

1 pan (5 oz.) Jiffy Pop 1/2 cup corn syrup
Popcorn 1/2 cup water
1 cup granulated sugar 1/4 cup butter

Prepare popcorn carefully following package directions. Pour into a large pot or kettle. Combine sugar, corn syrup and water. Boil mixture until it reaches 240° on a candy thermometer (or until a little mixture dropped in cold water forms a soft ball). Remove from heat; stir in butter. Pour mixture over popcorn and mix well with wooden spoon. With greased hands press popcorn around inside of medium sized bowl. Reserve a generous handful for handle. Roll popcorn into rope between palm. Make a semicircle, attach to top to form handle. Remove from bowl.

Note: For individual baskets prepare popcorn mixture as shown above. Place pot over low heat on stove in order to keep candy warm for easy shaping. Use 6-8 custard cups for molds. Form handles and attach as above.

Mrs. MacDonald helps her students count the days until their eggs will hatch. (L to R) Ramonda Tildine, Jackie Muse, Donna Riska, Brad Herbst, and Cathy Houlihan. (Staff Photo)

2ND GRADERS GIVE BIRTH TO CHICKENS

The second graders at the Antioch Grade School are busy raising chickens these days. In about eight days or so Mrs. Eisenhower's and Mrs. MacDonald's classes will be brimming with some 40 baby chickens.

Each class started with about 30 eggs. Every third day or so the students open one egg to check on the progress of the developing embryo. The students then write a short report on their observations and are also making drawings of the various stages. Kim Eves made the following report on the ninth day of observation. "Mrs. Eisenhower cradled an egg. And in the egg was a heat. We saw it beeping. The heat was going up and down. It looked like a raw chick. There were blood veins around him. He had little legs and little wings. He had a tail and a heat. The End."

Mrs. Eisenhower commented that her students really have enjoyed the project and have learned so many things through this lesson.

Both teachers have taught at the school for three years and each year they have been in the chicken hatching business. Their first year however, an incubator was not available and the chickens were hatched in a box with lights. Last year the PTA donated two incubators and they are really appreciated by both the teachers and students.

Mrs. Eisenhower keeps an eye on her second graders as they turn their chicken eggs. The eggs must be rotated three times a day. The students are (l to r) Jill Holbert, Stephanie Doyle, (who was celebrating her 7th birthday), Mrs. Eisenhower, Lester Zitkus, and Ken Channon. (Staff Photo)

SOCIETY MEETING ALTAR & ROSARY

St. Peter's Altar and Rosary Society will hold their meeting on Tuesday, April 10th at 8:15 p.m. in the Blue Room of the school. Mrs. Jane Craner, Art Teacher at Antioch High will do a portrait of one of the lucky

ladies attending. Mrs. Craner also writes the column "Out of My Paint Box" in The Antioch News.

Each lady is asked to bring a bar of soap for the missions.

American Legion Auxiliary

The 10th District American Legion and the Auxiliary will be holding their first bowling tournament at the Libertyville Lanes on Rte 176, on Saturday, April 7th. Entries are limited to Legionnaires and their wives and Auxiliary members and their husbands. Bowling squads will participate at 12:00 noon; 3:00 p.m., 6:00 p.m. and 9:00 p.m. If this tournament should prove to be successful, this event will become an annual affair. If any further information is desired, contact either Mr. or Mrs. Herbert Gleason of Libertyville.

Second Division's Auxiliary poppy and membership meeting in Marengo on March 25th, was considered by the state officials there as the finest and most responsive rally in the state. Mrs. Ray Rathmann, Antioch, 2nd Division President, was the presiding officer, while Mrs. Edward Jahneke, Antioch, Division Chaplain, gave the opening and closing prayers.

Tenth District was over 93 per cent in membership, with four more Units attaining their 100 per cent goal - they are Mundelein, North Chicago, Vernon and Wauconda Units. Now, 11 of the 22 Lake County Units of 10th District are 100 per cent. All eleven 100 per cent Units, Mrs. Everett Ainsworth, Lake Forest, District President; and Mrs. Norman Holt, North Chicago, District Vice President and membership chairman; received awards from the state membership chairman, Mrs. Jerome Murphy of Aurora. Division President Mrs. Rathmann was given several gifts and awards due to the membership gains of the four districts in 2nd Division.

"Show Them You Care, A Poppy Red, Please Wear" was the slogan used in the poppy program's presentation. Colored slides depicted the start of this program in 1923, com-

memmorating the little red poppies that bloomed on the gravesites of the American War dead. David Leach of Chicago and Mrs. Lyle Davis of Jacksonville, department legion and Auxiliary poppy chairmen, respectively, jointly prepared and planned this poppy exhibition. Some of the slides shown were of the veteran patients assembling these poppies in VA and state hospitals. Since the American Legion and the Auxiliary pay the hospitalized and disabled veterans for each poppy made, and also pay for the materials needed in the fabrication of these small scarlet memorial flowers; they want the general public to know these facts and be generous in their donations. Any surplus funds realized can only be used in rehabilitation or children and youth programs. Poppy Days are May 25th and 26th in most of Illinois, and in Antioch and the surrounding vicinity.

Mrs. John L. Horan is poppy chairman for the Antioch American Legion Auxiliary No. 748.

It is again time for the news media of the press, radio and television to decide if they would like to enter the "GOLDEN PRESS" and "GOLDEN MIKE" contests of the American Legion Auxiliary. The awards, which are golden statuary trophies, will be presented at the national convention in Hawaii in August. Each of the fifty states also gives awards to the winning contestants. The entire theme is geared "IN THE INTEREST OF YOUTH". Newspapers are asked to submit articles (series of three) or one good feature article, written "in the interest of youth", and written at any time between May 1, 1972 and May 1, 1973. These are for the Golden Press awards.

Radio and television stations are asked to give time and dates of programs (series of three) or one longer program all given "in the interest of youth", occurring at any time between May 1, 1972 and May 1, 1973. The last two programs rate the Golden Mike awards.

Any newspaper, radio or television station interested in entering any of these contests can secure entry blanks and more information by contacting Mrs. Edward Jahneke, Antioch, 10th District and 2nd Division Communications chairman. Deadline date for these entries is May 10, 1973.

BUS TRIP FOR A.A.R.P. TO SHADY LANE

THEATRE

On April 10, 1973 the A.A.R.P. of Antioch, Chapter 387, are going by bus to the Shady Lane Theatre in Marengo, Illinois. The trip is for members only.

RAINBOW GIRLS ENTERTAIN

On March 26, the Rainbow Girls of Antioch Assembly No. 23 served a dinner for Masons, Eastern Stars, and Rainbow Girls' families. After the dinner, the meeting was held. Mr. and Mrs. Gillum, Worthy Patron and Matron of OES, and

Mr. George Shabow, Worshipful Master of Sequoit Lodge were our special guests. Following the meeting, the girls entertained their guests with a short skit. When the skit was over, there were refreshments.

ALTAR & ROSARY SOCIETY ENROLLS FIRST TEENAGER

St. Peter's Altar and Rosary Society of Antioch has recently enrolled their first teenager. The ladies of the parish meet once a month and are involved with many parish activities. By extending the membership to teens, it is hoped that new activities will be formulated.

First teen aged member of

the Society is Michelle Roth, 15, daughter of Mr. and Mrs. Al Roth of Petite Lake, Antioch. Michelle is a contestant for the "Miss Teenage America" pageant which will be held in July at the Conrad Hilton Hotel in Chicago. She is sponsored by the State Bank of Antioch.

RUMMAGE & BAKE SALE AT GRASS LAKE SCHOOL

The Grass Lake School Room Mothers are holding a Rummage and Bake sale on Saturday, April 7th, from 9 to 3 in the school gym. The proceeds will be used for the graduating class of '73.

Anyone wishing to donate clean useable rummage or baked goods is more than welcome to do so. Come in and look around to your hearts content on April 7 between 9 and 3 in the school gym.

HOMEMAKERS PLANNING ANNUAL HOBBY SHOW

The Lake Region Homemakers held their March meeting at Mrs. A. Maras' home. Mrs. Mary Wells co-hosted the evening by baking and serving a delicious dessert. The Monthly Lesson was by-passed so the members could discuss and plan for the annual Homemakers hobby show in October. The members decided to put forth all their efforts this year into making Christmas confectionaries. Mrs. Pat Serwa volunteered to co-ordinate the women's participation in the Antioch Art Fair in July. Mrs. Barbara Miller offered to organize a community activity and have members save Betty Crocker coupons to

use in purchasing some equipment needed by the Antioch Rescue Squad.

The Homemakers welcomed two new members, Mrs. Sharon Watson and Mrs. Margie Poulos. During the evening Mrs. Peggy VanPatten talked to the ladies about her experiences as a Pillsbury Bake-Off contestant and winner. She encouraged the members to enter the next contest. The evening was concluded with an enjoyable viewing of Mrs. Angie Maras' picture of her recent trip to Europe. The April meeting will be held at Mrs. Ann Connors' home. For information about the Lakes Region Homemakers Unit, phone 395-0439.

FASHION SHOW DRAWS NEAR

In Spring a young man's fancy turns to the thoughts of love but a woman's thoughts are just as likely to turn to thoughts of fashion - or so feel members of Wesley Evening Circle. Circle members are busy putting finishing touches on their fashion show - dessert buffet "Fly Into Spring" which will be presented Thursday evening, April 12th, at 7:30 p.m. Scene of the annual excursion

into fashion is Wesley Hall of the Antioch Methodist Church. Fashion guide for the evening will be Lanathan's of Waukegan - a real chance to window shop, dream a little, and catch fashion trends. Seating in Wesley Hall is limited and the circle urges everyone to secure tickets or make reservations with Alice Paschke at 395-4428 early. Tickets will be sold at the door only if reservations allow.

**LINDA COREY
ENGAGED**

Mr. and Mrs. William J. Corey of Channel Lake have announced the engagement of their daughter Linda Louise to Edward J. Moore, son of Mr. and Mrs. Al Moore of Antioch. Miss Corey and Mr. Moore attend the Antioch High School and will be graduating this June.

A summer wedding is being planned.

WOMAN'S CLUB ATTENDS FLOWER AND GARDEN SHOW

On Mar. 26 members of the Antioch Woman's Club attended the Chicago Flower and Garden Show held in McCormick Place. Afterwards they enjoyed an elaborate buffet-luncheon at Kon-Tiki Port restaurant in the Sheraton Hotel.

Mrs. Donald Mentone, program chairman, was in charge of all arrangements.

EASTERN STAR LUNCHEON

The Order of the Eastern Star No. 428 are having a chicken luncheon on Thursday, April 5, 1973, At the Masonic Temple, 885 Main Street, Antioch, Illinois from 11:00 a.m. to 2:00 p.m. Donation \$1.50.

APRIL DATES FOR NEWCOMERS CLUB

The Antioch Welcome Wagon Newcomers' Club will hold it's monthly meeting Wednesday, April 4th, at 8:00 p.m. at the State Bank of Antioch. Our program for the evening will be a one act play by members of the PM & L Theatre Group. Our own Yvonne Dyer along with her husband Dick will be participating. Cake and coffee will be served.

The Newcomers' Club are

sponsoring a Bake Sale, Saturday, April 7, at the State Bank starting at 9:00 a.m. We will be raising funds for the Easter Seal Center in Gurnee, Illinois. We hope all will participate in making this Sale a success. Norma Garvin is the Chairman. For further information, call 395-6851.

Saturday evening, April 7th, is our date for a Social Evening with everyone welcome. These socials are just a friendly get together and all that is required is that you "bring your own bottle." Cake and light refreshments will be served by the hostess, which will be Lois Matthews. For information and directions call 395-3063.

The Newcomers will sponsor a trip to the Horticultural Conservatory of the Three Domes in Milwaukee Wisc. A bus will leave the Scout House on Main Street in Antioch at 9:00 a.m. on Wednesday, April 11th. The cost of the trip is \$2.00 and must be paid in advance to Lois Matthews by April 8th. The tour will begin at 10:30 a.m., followed by lunch at Alexander's Restaurant at 12:00 p.m. For reservations call 395-3063.

Arts and Crafts News: Workshop at the home of Dee Lewis, April 4th at 1:00 p.m. for demonstration on Bread Dough flowers. Call 395-6595.

YOUR A GOOD MAN, CHARLIE BROWN OPENS APRIL 27th

Happiness is seeing "You're a Good Man, Charlie Brown," the delightful musical opening Friday evening, April 27, and running April 28 and May 4, 5, 11, and 12 at the PM & L Theater, 877 Main St., Antioch, Ill. Season subscribers should note that this is a change from the originally announced play dates. The change was made to avoid conflict with the Easter

weekend. Curtain time is 8:30 p.m.

As every reasonably faithful comic-strip reader knows, the cast of characters is composed of a half-dozen totally real, absolutely earnest, partly philosophical, and somewhat insane very undersized people. These are Charlie Brown himself, played by Bill Sershon of Antioch; his crabby girl friend Lucy, Paul Scardino of Round Lake; Snoopy, the internationally famous World War I combat hero, played by Ed Grimes of Antioch; Linus, portrayed by Bill Beese, Antioch; the musical genius Schroeder, John Cadwell, Duck Lake, Ingleside; and Peppermint Patti, played by Barbara Tyska of McHenry.

The musical production, which presents an average day in the life of Charlie Brown, is directed by the PM & L veteran Don Beveroth. The music is provided by a unique combo which includes Tracy Teltz on piano; Tanya Millsop, xylophone, celeste, and bells; and David Rush, timpani, drums and cymbals.

This impressive organization makes it clear that Charlie Brown really is a good man. His only problems are that he is stupid and failure is written all over his face. He has never pitched a winning baseball game, never been able to keep a kite in the air, never won a game of checkers, and never successfully punted a football. Chances are that future stories about the musical might contain similar sketches of Lucy. Or Snoopy. Or Linus. Or Schroeder. Or Patti.

General admission is \$3.00 for adults and \$1.50 for students. Season members will present season tickets. Seating is limited, and you should call 395-9702 for your reservations. Don't miss Charlie Brown. He needs all the friends he can get, and it is not very good for a team's morale to see its manager cry.

PORTRAITS, THE EYES.....

See the eye as a diamond shape and as the head turns to three quarter and profile views that shape changes also. Notice also that the pupil becomes an oval in three quarter view and still a flatter oval when seen profile, as shown in Figure 1 below.

Most pupils are best drawn when the upper part is hidden by the upper eye lid, as in the illustration on the left, below in Figure 2. The eye on the right shows the whole pupil, which would only be correct when you wished to show fright.

In drawing good eyes you need to shade as in Figure 3.

The eyelid creates a shadow over the upper part of the ball of the eye and the pupil, and it is

best to darken the whites of the eyeball slightly at the outer corners to help show that the eyeball is ball shape. The tiny white dot that indicates the "gleam" or direction of light is put in and then the part of the pupil opposite that white dot is made lighter in color. In your practice of drawing eyes, work from photographs in magazines as well as from live people. Drawing the eyes turned in various ways, as well as eyes of different aged people, you will be training yourself for portrait work. Eyes are so important to getting a likeness of a person.

Many artists can paint eyes that seem to follow the viewer no matter where he stands or walks around the picture. There is no trick to this, if you paint the eyes as looking straight out the picture, instead of looking to the sides.

One final word or so of caution, the eye lashes are very important. Avoid stiff, evenly spaced ones that look like they were cut even as one cuts grass. They should curl out away from the nose when seen straight front, and toward the nose when seen profile. If a person's eye lashes do not show much, don't exaggerate them. If they are long, then make them noticeable.

Happy eye drawing.
Next Week: PORTRAITS, NOSES AND MOUTHS

LA LECHE LEAGUE MEETS

The LaLeche League of Lake Villa and Antioch will meet at 8 p.m. on Wednesday, April 11th at 1037 Victoria St., Antioch. The Art of Breast Feeding and Overcoming Difficulties will be discussed. Babies are always

welcome as well as any other women interested in learning more about the art of breast feeding.

For more information call 356-8381, 395-6081 or 223-5861.

QUAKER SHELF UNITS FEATURED IN S&H GREEN STAMPS BOOK

Steel 5-shelf units manufactured by Quaker Industries in Antioch are featured this year in the nationally-known S&H Green Stamps Ideabook. The supply contract for 1973 was recently signed by the local firm and the Sperry and Hutchinson Company.

The shelves appear in the 1973 edition of the full-color, 148-page catalog, which has an annual nationwide distribution of about 30 millions copies. Quaker Industries' products, as well as those of 78 other Illinois manufacturers, will be distributed by more than 750 S&H Green Stamp redemption centers throughout the United States. The 1973 Ideabook is now available from local merchants offering S&H Green Stamps.

Illinois manufacturers have long been a major source of merchandise for The Sperry and Hutchinson Company. In the past 10 years alone, S&H purchases from Illinois companies have totaled more than \$175 millions.

About 65,000 retail outlets across the country give S&H Green Stamps. S&H distributes merchandise through eight warehouses to its redemption centers, 34 of which are in Illinois. The warehouse and distribution center for S&H's 11-state north central region is located in Hillside, Illinois, a Chicago suburb.

The Sperry and Hutchinson Company, originator of S&H Green Stamps in 1896, is the nation's oldest and largest trading stamp service.

n; pl. TIES. (L. societas (fr. socius a companion; cf. F. SOCIETE. See SOCIAL) the relationship of men associated in any way to one another; companionship; fellowship; connection; participation.

ANTIOCH JAYCEES PLAN KITE FLY

On April 8, 1973 at 1 p.m. the Antioch Jaycees will hold a kite fly in the East parking lot of the High School. There will be many prizes awarded including those for Best Fliers, Most Original and Largest Kite That Flies. Prizes vary in value from a grand prize of a 26" boys or girls bike, to a \$25 Savings Bond and gift certificates from the merchants of Antioch.

There is no entry fee for participants and all boys and girls between the ages of 1 and 14 are encouraged to attend. There will be three divisions for

the prizes. A Pee Wee division for children 5 and under, (mothers and fathers can help) 6-9 Division competing for 1st, 2nd and 3rd prizes in two areas, and a 10-14 division. Judges for the contest are the three Mayoral candidates, Ray Toff, Bob Wilton and Marge Nelson.

Refreshments will be for sale on the grounds. RC Cola has donated the pop and The Village Pub hot dog stand will be there.

A rain date has been set for April 15th, though hopefully the 8th will be a windy, sunny day.

New Deductions

Mr. and Mrs. Lee Loecher (formerly Sue Toman) recently became the parents of a bouncing baby boy. Bryan Lee tipped the scales at 8lbs. 4 oz. This is the first baby for the Loecher's.

SEQUOIT HAPPENINGS

BITS AND PIECES

By: Taffy Engelhardt

GAA is in full swing! Our 26th Annual Mother Daughter Banquet is this coming Saturday evening and there are many things left to do. This year's banquet theme is OLYMPIC '73. At the Banquet, awards will be presented to those who have earned the required amount of points and new members will be initiated by the traditional candle lighting ceremony. Also, next year's officers will be announced. And don't forget the Senior Skit.

Last week was Colorguard tryouts. Congratulations to all the new members. Since I haven't received the entire list of those who made it yet, I will print it next week.

Morning announcements used to be quite monotonous and not listened to very attentively. But there has been a change and really is quite amusing. Students are now reading them and doing a good job. There is more of a variety and it is easier and more interesting to listen to. I don't think Mrs. Ano misses the daily chore. She's just as "organized" as ever!

Again, we'd like to wish Mr. Cramer a get well, since he is ill and in the hospital. We're hoping to see him back in school soon.

If any of you are ever in the building, make a point to go by the Art room and look at the display in the new section. Mrs. Craner's class always has an excellent display and it's well worth the trouble.

Mr. Brooke's Acapella Choir is again busy rehearsing for the upcoming Spring concert. It will be two weeks from Thursday, in the auditorium.

The following poem was submitted, in hopes that Spring will be here soon.

FULFILLMENT

Apple blossoms bursting wide
now beautify the tree
And make a Springtime picture
that is beautiful to see...
Oh, fragrant lovely blossoms,
you'll make a bright bouquet
If I but break your branches
from the apple tree today...
But if I break your branches

and make your beauty mine,
You'll bear no fruit in season
when served from the vine...
And when we cut ourselves
away

from guidance that's divine,
Our lives will be as fruitless
as the branch without the
vine...

For as the flowering branches
depend upon the tree
To nourish and fulfill them
till they reach futurity,
We too must be dependent
on our Father up above,
For we are but the Branches
And He's the Tree of Love.

Helen Steiner Rice

HIRSCH WIPS STUBBORN NEW TRIER

Underdog, New Trier East could not find another win in its bag of tricks after having upset Collinsville and W. Aurora for the right to play in the championship game.

Chicago Hirsch, Public League Champion, proved too tough for the upset minded team from Winnetka. Hirsch led by all-state guard, Rickey Green, who had 15 and John Robinson who had 17, won the final game going away 65-51. Junior Chris Wall led all scorers with 18 points for the losers.

The game was not quite so easy as the final score would indicate however. An inspired New Trier Team played a good first half being ahead 16-14 at the quarter and tied 34 all at half. Their success was due largely to the play of Wall and guard John Castino.

The second half found New Trier cold from the field and Hirsch took advantage of it to pull away and coast to an easy victory. Final shooting percentages indicate the difference: Hirsch 500; New Trier East 391.

by: Glen Amundsen

DIANE VOS NAMED TO DEAN'S LIST

Diane Vos, 532 Winsor, Antioch has been named to the Dean's list at North Park College, Chicago, for the winter term. She is a member of the sophomore class.

The Dean's list at the church related college is made up of the men and women who earn an average of 3.1 or better. All A's make a 4.0 average.

North Park College, founded in 1891, is operated by The Evangelical Covenant Church of America, a denomination of 560 churches in the United States and Canada. A coeducational school, North Park is accredited by the North Central Association of Colleges and Secondary Schools.

MELTING ICE HERALDS SPRING

As the people of the midwestern states begin to adjust to the beautiful season of spring and try to forget the unseasonable winter we had, the thing that really has the hardest time adjusting is nature. From the desolateness of winter to a very prosperous spring is quite a welcome sight. No matter what age you are, when all the fun and joy is out of winter, there's always a chance of getting bored. You then begin to look for such things as the migrations, always the temperature, the greenness of the grass, and the budding of trees. Within a few days everything seems to come alive.

But not just plants and animals come alive in the spring, people do too. Sports such as baseball, tennis, track, swimming, and many others are in full gear by mid April. Even if the snowmobiles are put away for a couple seasons, caravans of people still get together for parties all season long. Just getting outside and breathing fresh air is enough for some, but most always there's entertainment tied in.

Living in an area with many lakes, and potholes, Northern Illinois has a tremendous migration of waterfowl. On a warm moonlit night, when the air is still, you can hear the large flights of Canadian geese fly noisily by, as you watch their silhouettes against the moon. As the geese depend on spring for a new portion of their life, humans do also. But the one and only sign that the geese and humans have for the long, anticipated season of spring is the melting ice.

by: Ed Anderson

POLITICAL SCIENCE STUDENTS VIEW LEGISLATURE

Russell Damske of Antioch was among the fifteen political science students from the College of Lake County who attended sessions of the state legislature and met with area legislatures in Springfield on Tuesday, March 27. Senators Berning and Conolly, along with representatives Murphy, Deuter, Pierce, Geo-Karis, and Matijevich made themselves available to talk with the students.

Maureen Sullivan, a political science instructor who accompanied the group, said, "We were in the house for two votes on the capital punishment issue and we also witnessed the senate's vote to override Governor Walker's veto on the CTA."

ANTIOCH STUDENTS TO PRESIDENT'S

Two Antioch students have been named to the President's List at North Central College in recognition of their scholastic achievement during winter term of the 1972-73 academic year. Among the 139 students named to the list by Dr. Arlo L. Schilling, president of the college, are:

Wendy P. Jensen, daughter of Mr. and Mrs. Robert Jensen, 477 1st Street, a 1970 graduate of the Antioch Community high school; and,

Cheryl L. Reckers, daughter of Mr. and Mrs. Preston J. Reckers, Jr., 466 1st Street, also a 1970 graduate of Antioch Community high school.

AREA STUDENTS NAMED TO DEAN'S LIST

Dean's Lists for nine academic colleges and the Institute of Aviation of the University of Illinois at Urbana-Champaign for the 1972-73 fall semester were announced today by Acting Director King W. Broadrick of the University Honors Program.

Among the 11,008 honored students named are: Bonnie R., Fred L. Jr., and Renee A. Bobzien of 525 Winsor Drive, Antioch; Laura R. Oftedahl of 505 Highway 173, Antioch; Terry L. Tobias of Box 237B Route 5, Antioch; Cathleen L. and Elizabeth A. Moore of 734 North Route 59, Lake Villa; Denis J. Pleviak of 209 Cedar Avenue, Lake Villa; and Michael J. Wolfe of Route 3 Box 249, Lake Villa.

JOHN TERES CHEVROLET & OLDSMOBILE, INC. ANTIOCH, ILLINOIS 312-395-3600

(Week of April 6-12)

ARIES (March 21-April 20): You can make an impression on friends and relatives by demonstrating an understanding of their problems. Creative cycle is high. A lucky trend is indicated financially, possibly through a gift, bequest or some other unexpected windfall. Best days: Friday, Saturday.

TAURUS (April 21-May 20): An excellent weekend for a short trip or visit with relatives. Family affairs may occupy much of your time and energy this week. An old acquaintance may become the key to solving a vexing problem. Best days: Sunday, Thursday.

GEMINI (May 21-June 21): Moon in your sign indicates a favorable trend for business, personal affairs Friday and Saturday. Cycle favorable for improving finances, romance. A social invitation arranged by a friend could introduce you to someone interesting. Best days: Friday, Monday.

CANCER (June 22-July 21): Rely on your own intuition to guide you to the right decision in matters involving work, school activities. A shopping expedition can boost your morale and provide a much needed break from routine. Friends and relatives will be helpful if you confide your innermost feelings to them. Best days: Saturday, Thursday.

LEO (July 22-Aug. 22): Adventure and romance are in the air! Splurge a little for a new outfit or hair style. Throw a party and invite friends. Moon in your sign latter part of week emphasizes friendship, social activities. Best days: Friday, Thursday.

VIRGO (Aug. 23-Sept. 22): Problems at work or school will resolve themselves if you concentrate on doing your best. Be cautious in financial matters to avoid straining your budget. Extra effort can bring recognition latter part of week. Best day: Thursday.

LIBRA (Sept. 23-Oct. 22): What you regard as a period of boring routine can be a time of profitable reflection, relaxation. Be sensitive to needs of family. A romantic interest can be kindled if you take the initiative. Best day: Monday.

SCORPIO (Oct. 23-Nov. 22): A period of uncertainty may be about to lift for you. Star signs indicate a lucky turn of events in business later in week. A chance for new responsibility, increased income may come your way. Best day: Thursday.

SAGITTARIUS (Nov. 23-Dec. 21): Creative aspects high for those born under your sign. You can make excellent progress with a project involving writing, painting or some other creative endeavor. Heed the counsel of someone older and more experienced. Best days: Friday, Saturday.

CAPRICORN (Dec. 22-Jan. 20): Avoid domestic spats or quarrels with loved ones. Although your patience may be exhausted, now is the time for tact. Later in week, you'll have to watch budget carefully. But romantic aspects are on the rise! Best days: Sunday, Tuesday.

AQUARIUS (Jan. 21-Feb. 18): Someone you haven't seen for some time could come back into your life and offer valuable counsel. Do not let pride interfere with reason. A romantic temptation could cause difficulties unless you see the humor of the situation. Best days: Friday, Wednesday.

PISCES (Feb. 19-Mar. 20): Be especially careful if traveling or working around machinery. Accident potential is high. Midweek is a good time to demonstrate consideration for elderly relatives, associates. They will appreciate your kindness. Best day: Tuesday.

THOMAS KNOX MANAGER OF A.MAY BUILDERS

Arnold N. May, President of Arnold N. May Builders, Inc. announces the appointment of

H. Thomas Knox as Manager of Residential Sales.

Mr. Knox will have complete jurisdiction over all of the Company's residential sales operation.

During the past twelve years, Mr. Knox has been involved in all phases of the building industry and brings with him a distinguished background in the Home Building Industry. During the past twelve years, Mr. Knox has personally sold new homes in excess of \$10,000,000.00 in estimated value for builders throughout Northern Illinois.

Mr. Knox presently resides in Crystal Lake with his wife, Jayne and their four children.

Lee and Fran Reeder and their son Bill of Indian Point, returned from a trip to Missouri Sunday evening. They visited Lee's family and were also in Piedmont and Ellsinore, Missouri, where there have been many reported sightings of Unidentified Flying Objects.

The Reederes talked to natives who actually saw the objects. They were first observed on February 21st by a high school basketball coach and four players returning from a game. They said the object looked like it was about 50 feet off the

ground and possibly 200 yards away. There were four flashing lights, that did not have a steady blink like an airplane's. It appeared to be coming from the portholes that were about three to four feet apart. The lights were red, green, amber and white and were crazily quilting themselves across the sky in all kinds of erratic patterns. They were traveling at a high rate of speed and turning and jumping from side to side in no predictable manner.

The coach and boys watched the object for 5 to 10 minutes,

then it went up into the air with absolutely no noise and disappeared over a hill.

Mrs. Reeder said the town of Piedmont will never be the same. People were spending the nights in their cars at spots like the city dump and Clearwater Lake, where sightings had been reported, all hoping for a glimpse of the object.

Hayden Hewes, who is the head of the UFO Bureau, which is based in Oklahoma City, said he believes the objects are space ships, which he thinks are all part of a mining expedition.

WE'LL SLIP YOU A \$5 CREDIT FOR TAKING YOUR PHONES WITH YOU ON YOUR NEXT MOVE.

You help us. We'll help you. That's what our new "Take & Save" plan for our residential customers is all about. Now you can earn a \$5 credit by taking your phone or phones along with you when you move.

All you do is snip the cord near the wall (or unplug portable sets) and hand the phones over to the installer at your new home.

Even if you're moving outside of Illinois Bell's territory, you can still qualify for the \$5 credit by dropping your phones off at a designated Illinois Bell drop-off location.

Most desk phones and Trimline[®] wall phones are eligible. And you can change the color of your phones if you have a new decorating scheme in mind.

The best way to get things moving is to call your Illinois Bell Service Representative just as soon as you know your moving plans. (The number is in the front pages of your Directory and on your phone bill.)

That way you'll know which of your phones are covered in the "Take & Save" plan. And whether you should take them along or drop them off.

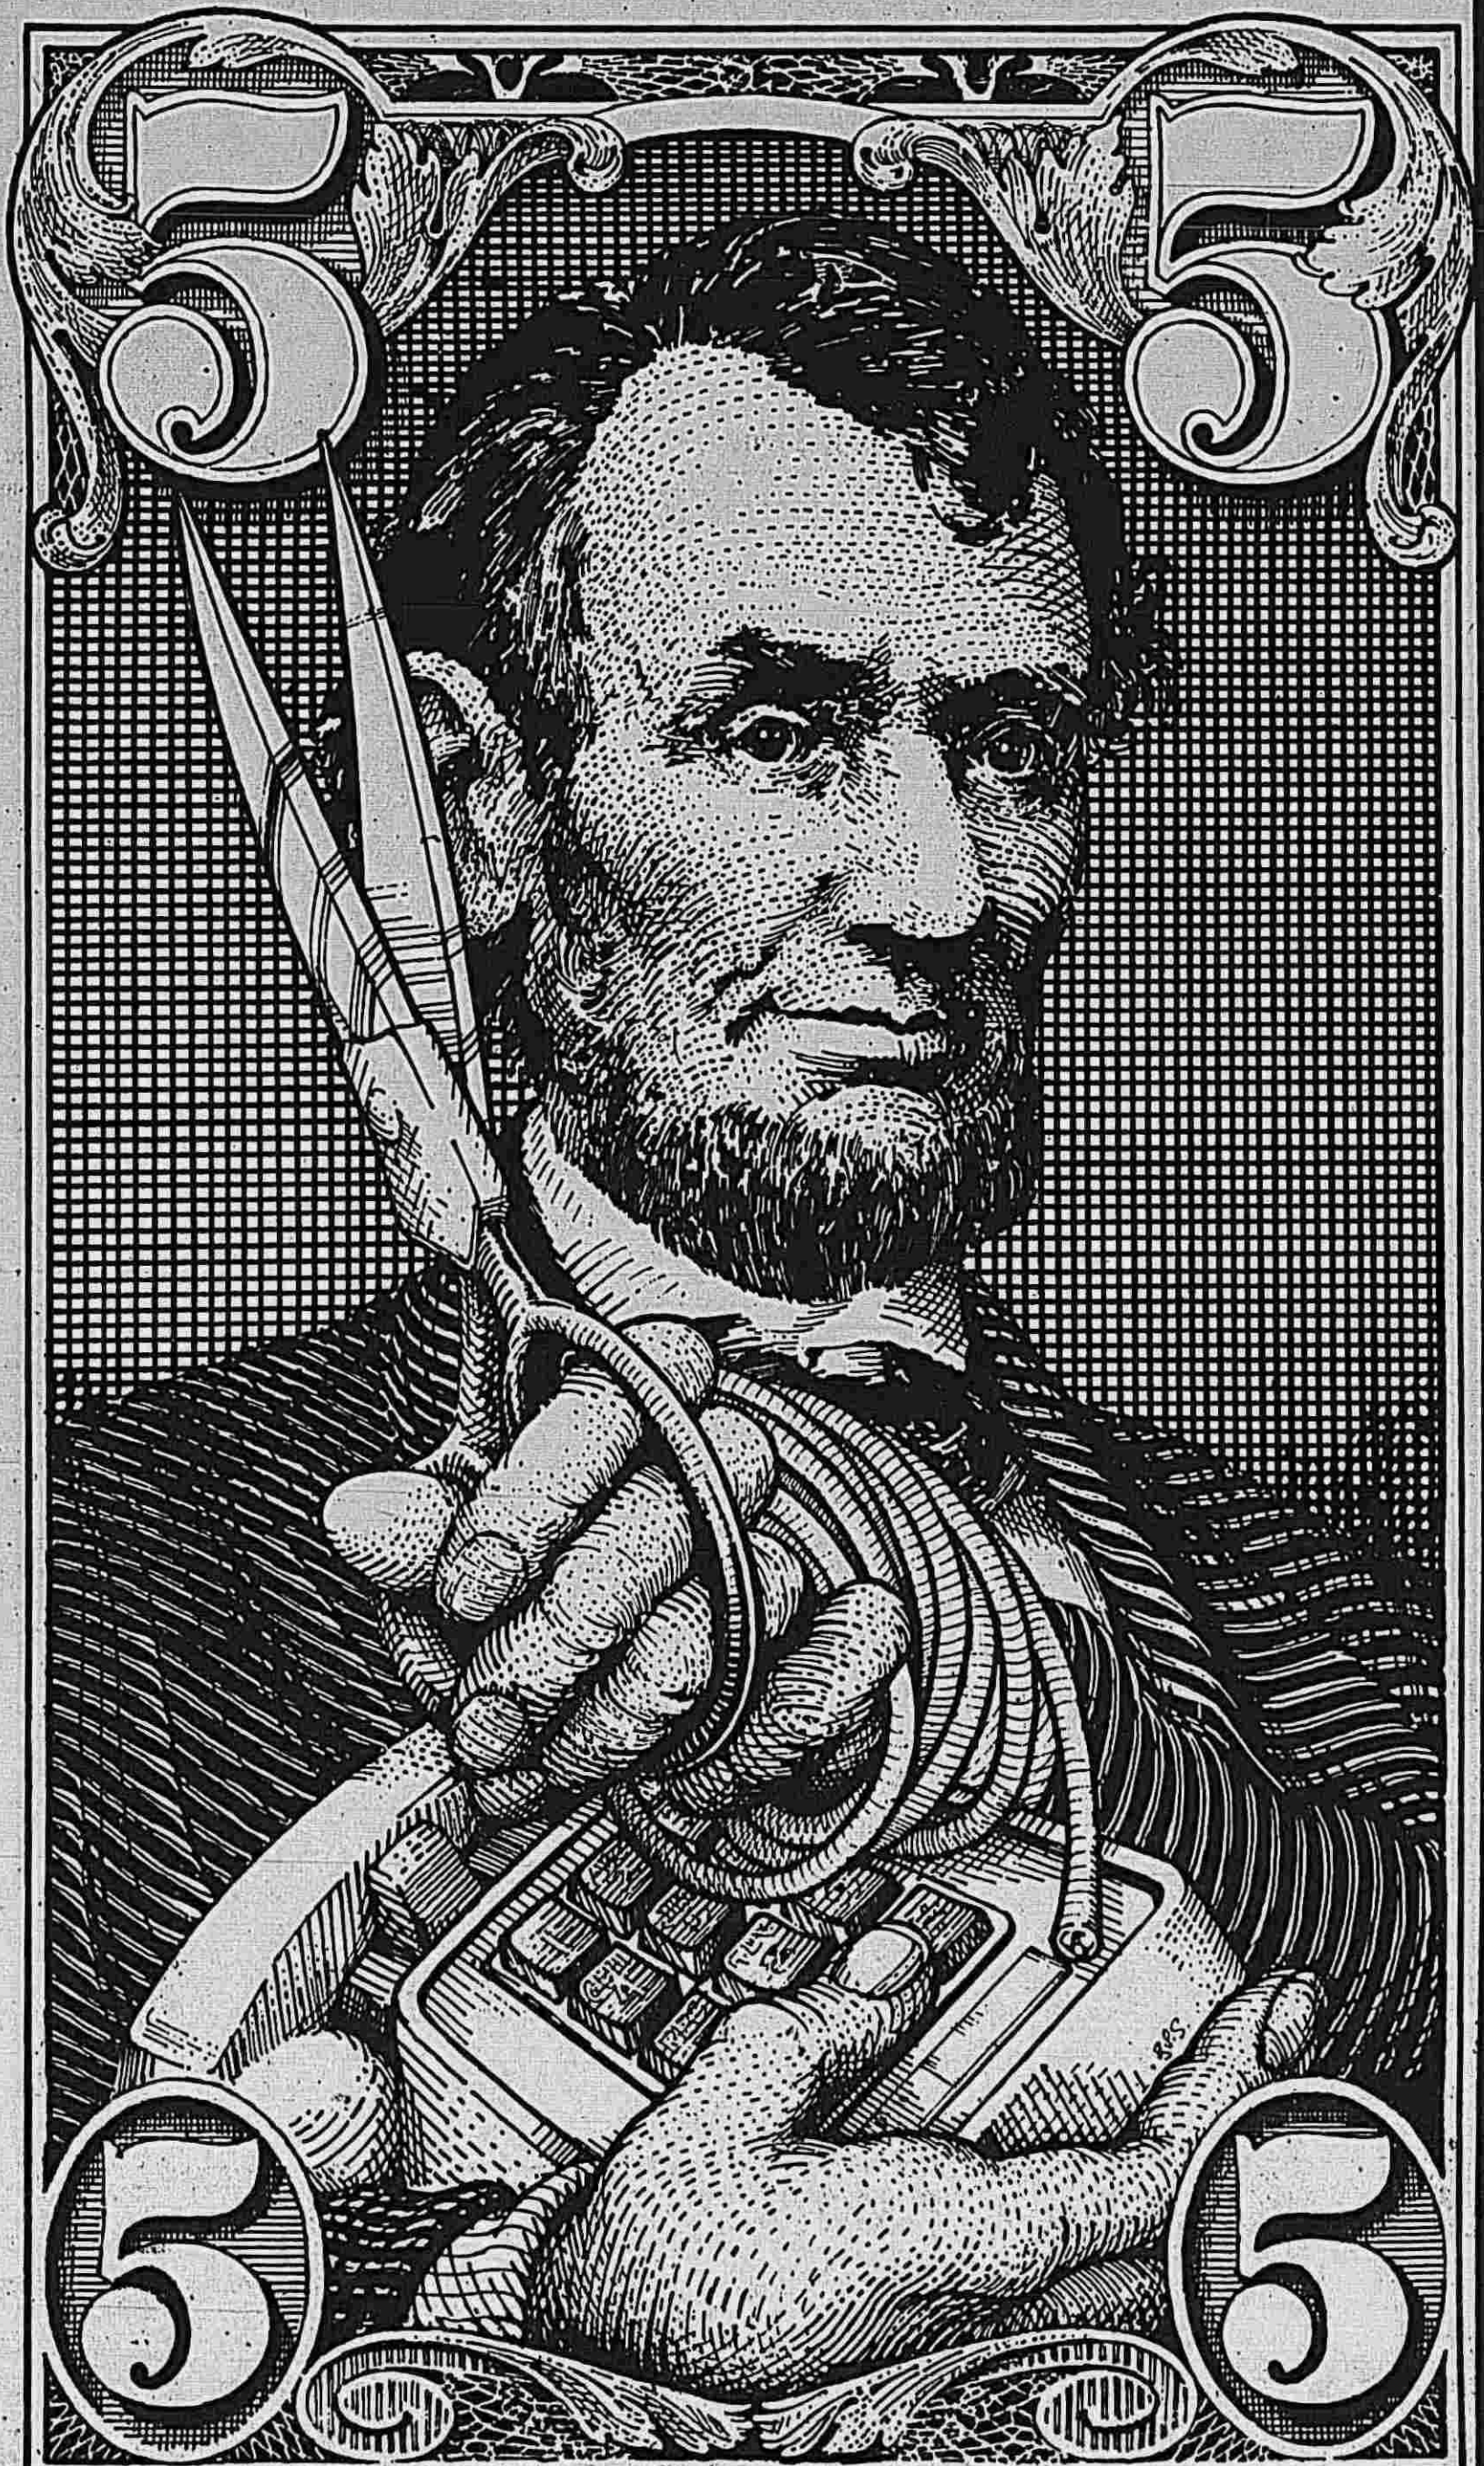

"Take & Save" is one of those nice little ideas that helps everyone. You earn a \$5 credit and Illinois Bell cuts down on installation costs and lost telephones.

And, the way we figure it, every buck you can save these days is worth the effort. For you. And for us.

Illinois Bell

LAKESIDE REBEKAH LODGE NO. 82

Mrs. Clarence Larson, Mrs. Wayne Jones and Mrs. John Hagen of the Antioch Lakeside Rebekah Lodge were guests at the District Three Association Night, held at the Waukegan Rebekah Lodge, March 23rd. Antioch, Highland Park, Libertyville and Waukegan Rebekah Lodges were all represented at "Elective Officer's Night", held at the Antioch American Legion Home, March 21st. Mrs. Mildred Black of Highland Park, past state president of the Illinois Rebekah Assembly, was an honored guest that evening.

Then, on March 24th, Mrs. Anton Johnson, Lake Catherine, Antioch, died. She had been a Rebekah member for 57 years, and had been honored and presented with her Fifty year pin in 1966. Her death has deeply saddened all who knew her. Mrs. Johnson, better known as "Maud", first joined the Elgin Rebekah Lodge in May 1916, transferring to the Jenny Lind Rebekah Lodge in Chicago, in May, 1921. It was in December 1945 that Maud Johnson joined the Lakeside Rebekah Lodge. She served as Noble Grand in 1950, then held the office of Treasurer until three years ago, when failing health caused her to resign this office. Thirty-five Rebekah members from all the lodges in District Three Association participated in memorial services for Maud Johnson at the Strang Funeral Home on Monday, March 26th, at 8:00 p.m. Sincere condolences go to her husband, Anton, and son William Johnson.

The Samuel Pettigrews and Mrs. William Dowden, all from Ida Street, Antioch, were accidentally hit by a truck on Routes 41 and 173, March 21st. Mr. Pettigrew did not suffer any injuries, but both Mrs. Pettigrew and Mrs. Dowden were hurt. Mrs. Dowden was just released from Victory Memorial Hospital a day ago. Best wishes for a speedy recovery to both ladies!

The annual Mother and Daughter Banquet of the Antioch Evangelical Free Church will be held on April 13th, at 6:30 p.m. This year's theme will be "Train up a Child

in the Way he Should Go" from Proverbs 22:6. The general chairman is Mrs. Allen Mielke, with Mrs. Edward Rowley in charge of decorations. Mrs. Dietrich Kiemle is Food committee chairman; Mrs. Marion Prange, ticket chairman; and Mrs. Alan Knutsen is the program chairman. Anyone who has attended any of these Mother and Daughter Banquets know that they will not only enjoy a delicious dinner (served by the men of the church!), and amusing entertainment, but will also receive an inspirational and spiritual message as well.

LAKE COUNTY SALON, ILLINOIS EIGHT AND FORTY The Lake County Salon No. 191, Illinois Eight and Forty, will hold a meeting April 4th, at 8:00 p.m., at the Highland Park American Legion Home. Mrs. Ray Suzzi, Highwood, Le Chateau, will conduct the meeting.

Delegates attending the state spring pouvoir, held at the Sheraton Inn East in Springfield, March 31st and April 1st, include Mrs. R. Suzzi; Mrs. Frank Waggett and Mrs. Philip Cole, both of Highland Park; Mrs. Norman Holt, Mrs. John Schultz and Mrs. Fred Schultz, all from North Chicago. These women will report on the activities of the spring pouvoir at this April 4th session.

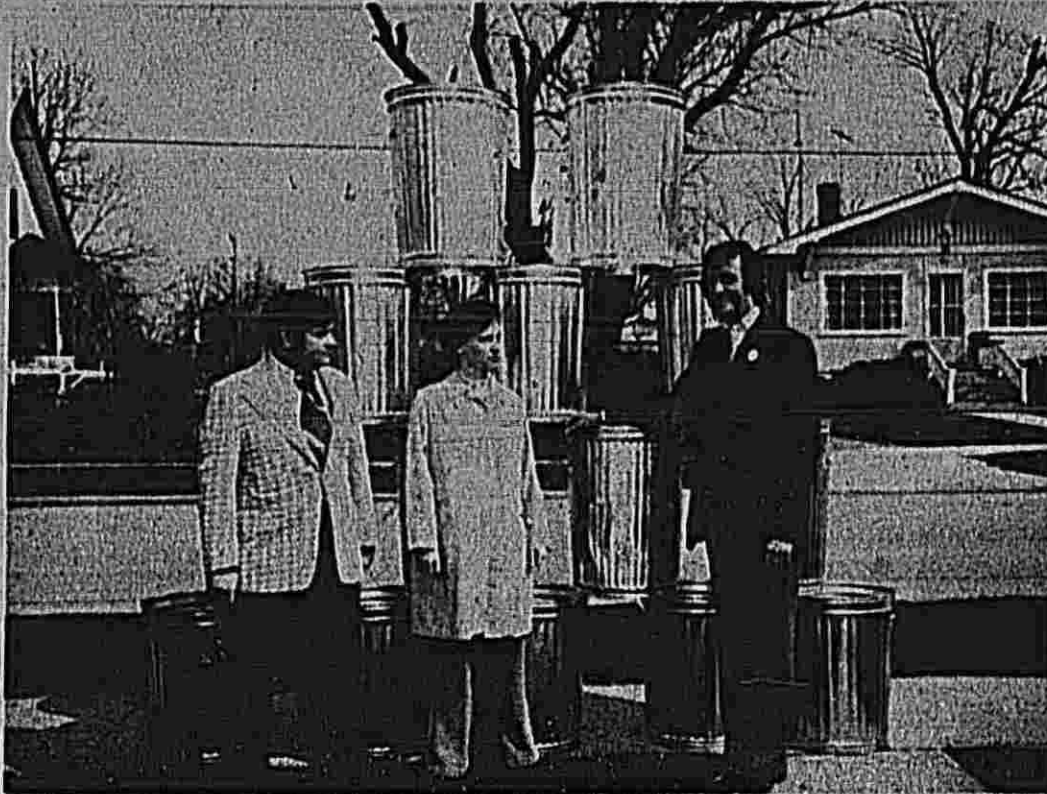

Hostesses will be Mrs. F. Waggett, Mrs. P. Cole, Mrs. Eggert Carlson, all from Highland Park; Mrs. Barbara Klemm, Mrs. Karl Heuer, Mrs. Albert Simonson, Mrs. Raymond Panzer and Mrs. Richard Brady, all from Gurnee.

AQUARIUM SPRING HOURS

Welcome an early spring at John G. Shedd Aquarium, 1200 South Lake Shore Drive. From March 1 to April 30 spring hours are from 10 a.m. to 5 p.m. daily.

Colorful Caribbean fish, exotic corals and soft strains of "Beyond the Sea" surround the Coral Reef, the Aquarium's newest exhibit. Divers enter this salt water wonderland daily at 11 a.m. and 2 p.m. to feed over 500 fish and two moray eels.

Admission to the Aquarium is \$1.00 for adults; 35 cents for

We "CAN" solve the problem of garbage disposal says Citizens Action Party mayoral candidate, Robert C. Wilton (r) shown with Shirley Gutowski, candidate for Clerk and Michael Haley (l) candidate for Trustee. The Citizens Action Party proposes a plan to improve service and reduce the cost of garbage pickup to Antioch residents.

LYNNE STARR BASH PROMOTION DIRECTOR OF LAKEHURST

Lynne Starr Bash has been named promotion director for Lakehurst, the shopping center located at the intersection of Routes 43 and 120 in Waukegan. The appointment was announced by Fran Wollack and Associates, advertising and public relations agency for the Lakehurst Merchants Association.

A graduate of the University of Michigan, Ms. Bash began

her fashion career in the training program at Bonwit Teller in New York City and then went to the Goode-Bridgman Resident Buying Office as buyer of sportswear. On relocation to Chicago, Ms. Bash joined White Stag Manufacturing Co. in the Merchandise Mart, where she was showroom manager.

While her children were growing up, Ms. Bash worked as a free-lance fashion coordinator part time and attended the School of the Art Institute. She then became an instructor in the Fashion and Retail Merchandising Department of Stevens Career College in Chicago, where she taught advertising and sales promotion in addition to courses in interior design, display, retail buying and writing workshop. Before joining the Wollack agency, she taught classes in Sears, Roebuck's interior decorating consumer workshop.

A member of The Fashion Group of Chicago and Phi Chi Theta professional business women's fraternity, Ms. Bash is working toward a master's degree at Northwestern University Graduate School of Management.

LYNNE BASH

children, students with ID and senior citizens with medicare cards; and \$2.50 for families. Every Friday is a free day and the Aquarium is open until 9 p.m.

ADEQUATE GARBAGE DISPOSAL PROGRAM NEEDED

When the Citizens Action Party drew up their platform, one fact became apparent. The present garbage disposal program contains certain inequities that must be resolved.

The present program is costly. Some residents in Antioch are billed monthly for a once a week pickup - there really is no program. In checking with other villages in the area, the Citizens Action Party found that they can provide an excellent garbage disposal program that will serve the needs of all the residents of Antioch for about 1/3 less than the present cost.

The Citizens Action Party's plan would include garbage pick-up on a bid basis. Residents would not pay the vendor for the service. The village would negotiate a contract with the vendor and in turn add the costs to the water bill. Billing would then be on a three month basis.

In addition, bidding could be secured on an alternate basis - that is, one bid would include one day a week pickup with an alternate bid submitted for two day a week pickup. And still another alternate bid based on two day a week pickup, May 1 through October 1 and one day a week pickup October 1 through May 1.

The Citizens' Action Party's garbage disposal plan would not require additional office equipment and would not place additional hardships on the office of the village clerk.

Adequate garbage disposal is a must in a village that is experiencing rapid growth. It cannot be handled on a make-shift basis. It MUST be planned so that residents all receive a fair return on their tax dollar.

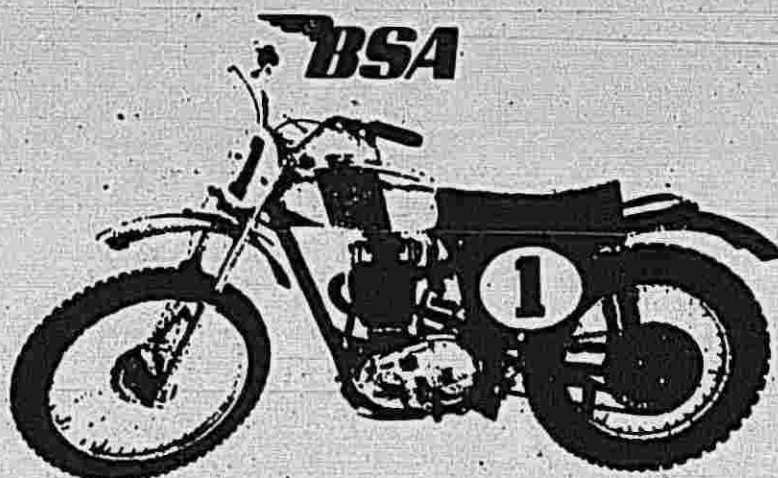

The Citizens' Action Party has set up a plan that will serve the needs of the village now when it is needed. But it also takes into consideration future growth.

No village can survive growth or progress without a definite plan. And no village will be able to attract future industries without a plan that benefits the tax payer.

NOTICE TO BIDDERS MAIN STREET, FIRST STREET, PARKWAY AVENUE STORM SEWER IMPROVEMENT

MFT SECTION 16-SS-CS
ANTIOCH, ILLINOIS

Notice is hereby given that the President and Board of Trustees of the Village of Antioch, Lake County, Illinois, will receive bids at the Village Hall, 876 Main Street until the 16th day of April, 1973, at 11:00 a.m. Central Standard Time, for the construction of storm sewer improvements, at which time and place the bids will be publicly opened and read. Bids will be acted upon at a later time and place as may be then fixed.

The work to be done is as follows:

Contract No. 1

Construct approximately 1300 lineal feet of 36" internal diameter storm sewer main.

Construct approximately 840 lineal feet of 30" internal diameter storm sewer main.

Construct approximately 365 lineal feet of 24" internal diameter storm sewer main.

Construct approximately 14 drainage structures including manholes, catch basins, inlets and appurtenances, and;

necessary surface restoration and incidental work.

All work is to be performed in accordance with the plans and specifications which are on file in the Village Hall, and at the Office of Applied Engineering Company, 1450 South New Wilke Road, Arlington Heights, Illinois, 60005.

All bids shall be submitted, on forms provided, to the Village Clerk on or before the time specified above.

Each bid shall be accompanied by a check, drawn on and certified to be an acceptable Illinois bank in an amount of not less than ten (10) percent of the total bid, made payable to the Village of Antioch, Illinois. Bid bonds or other substitutes will not be acceptable. The certified check shall be forfeited if the bidder fails to enter into a contract and furnish bond after his proposal shall have been accepted. The certified checks or unsuccessful bidders will be returned within 15 days of the award of a contract. The certified check of the successful bidder will be returned after he enters into a contract and furnishes a satisfactory performance bond.

The successful bidder shall furnish a performance and guarantee bond to the Village of Antioch in the amount of 100 percent of the contract.

Payment will be made in cash on the basis of approved progress estimates.

The work shall commence within ten (10) calendar days after date of written notice to proceed, and all work shall be

completed within forty-five (45) working days, after date of written notice to proceed.

The Contractor shall pay labor employed on the work, not less than the prevailing wage scale as required by State Statutes.

Prequalification according to Section 102.01 (a) of the Standard Specifications for Road and Bridge Construction of the State of Illinois dated January 2, 1971, shall be mandatory of all bidders on this project. No bidder will be allowed a Proposal unless he first submits a prequalification rating for Storm Sewer Construction of at least \$100,000.00.

The Village reserves the right to defer acceptance of any proposal for a period not to exceed thirty (30) days after opening of bids, and reserves the right to reject any or all bids, to waive informalities or technicalities in bid, and to accept the bid which it deems to be in the best interests of the Village of Antioch, Illinois.

Bid documents are available from the Village Clerk for a non-refundable charge of ten (10) dollars.

SEMINARY PREPARES FOR WEST SIDE STORY

St. Mary of the Lake Seminary, Mundelein, Illinois is once again the scene of theatrical activity as rehearsals and set construction continue for the spring production of the musical West Side Story. The play is scheduled to run for two weekends with performances on April 5, 6, 7, 13, 14, 15 at 8:00 p.m. and a matinee April 8 at 2:00 p.m. For ticket information call 949-5692. The seminary is located one half mile east of Route 45 on Route 176. The annual play is the principal fund raising event of the school's Student Senate.

GRASS LAKE PLANS KINDERGARTEN REGISTRATION

Kindergarten registration for the 1973-74 school year will be held at the school during the week of May 7th thru May 10th, from 8:30 a.m. until noon and from 1:00 p.m. to 3:30 p.m. each day.

All children entering kindergarten in September of 1973 must be 5 years of age on or before December 1, 1973. A legal birth certificate must be presented at the time of registration. Birth certificates may be obtained from the Bureau of Vital Statistics, County Courthouse of the county in which the child was born. Hospital certificates cannot be accepted.

At the time of registration parents will receive a health examination blank which must be completed by the family physician and dentist before entering school in the fall.

Any children who will attend first grade in the school year 1973-74 and who are not currently enrolled in kindergarten should register during May 7th thru May 10th. In order to enter first grade next fall, the child must be 6 years of age on or before December 1, 1973. Again a legal birth certificate is required.

First grade students who are not currently enrolled in kindergarten will also receive health examination forms to be completed by the opening of school in the fall.

Supt. William Hart also announced that the annual kindergarten tea will be held on Wednesday, May 9, 1973, at 1:00 p.m. in the school cafeteria. All kindergarten parents are invited with their kindergarten children to this orientation meeting.

1963 CLASS REUNION PLANNED

The 1963 Class of Antioch Community High School is planning their 10 year reunion on August 17, 18 and 19. A fun filled week-end is being planned. The week-end begins on Friday with a tour of the high school. Saturday night, a dinner dance will take place at the Antioch Country Club. It will conclude with a picnic, but the location has not been decided upon as yet.

The committee has not been able to reach all its classmates, and wondered if anyone knows the addresses of the following:

Christine Anderson, Sharon Frank, Melody Gribbens, John Horton, Cheryl Kubs, JoAnne Lamborn, Beverly Mann, Peggy Moran, Ronald Orlof, Delores Prinzing, Darlene Renauf, Sandra Smith, Karl Steinau, Arthur Swede, Ed Tiemann and Thomas Witt.

If you know the whereabouts of these people, please contact Pam (Meyer) Domek at 395-0735.

DR. JOHN D. WOODBRIDGE TO SPEAK AT CHURCH

DR THOMAS
MC COMISKEY

Dr. John D. Woodbridge, assistant professor of church history at Trinity Evangelical Divinity School, will speak at the Antioch Evangelical Free Church on Sunday, April 8, at 11:00 a.m.

Dr. Woodbridge received his B.A. from Wheaton College, his M.A. from Michigan State University, his Ph.D. from the University of Toulouse (Toulouse, France) and his M.Div. from Trinity Evangelical Divinity School.

Before coming to Trinity as a professor this year, he was visiting professor of American history at the University of

Toulouse and a summer school instructor at Wheaton College. He has been a staff member in the Word of Life camp programs for many years.

Dr. Thomas E. McComiskey, associate professor of Semitic languages at Trinity Evangelical Divinity School, Deerfield, Illinois, will speak at the Antioch Evangelical Free Church on Sunday, April 8, at 7:00 p.m.

Dr. McComiskey, a native of New Jersey, received his B.A. from King's College, his B.D. from Faith Theological Seminary, and his M.A. and Ph.D. from Brandeis University in Near Eastern Studies.

Before coming to Trinity in 1969, Dr. McComiskey pastored the Community Church in Folsom, Pennsylvania; the Bible Baptist Church, Trenton, New Jersey; and the Wayside Chapel Free Church, Hudson, Massachusetts. He also served on the faculty of the Chester Bible Institute and as associate professor and chairman of the Department of Biblical Studies, King's College.

Dr. McComiskey, his wife and three children make their home in Lake Zurich, Illinois.

The Antioch Evangelical Free Church is located at Tiffany Road & Highview Drive.

CLC BALLOTS TO BE CAST IN SAME PRECINCT AS HIGH SCHOOL BOARD BALLOTS

Thirty-seven precincts have been created for the April 14 election for Trustees of the College of Lake County. Two members will be elected to serve the three-year terms on the Board of Trustees of the College.

The location of precincts and polling places was determined to make it convenient for voters to participate in all school elections to be held on Saturday, April 14. All polling places will be the same as those used for voting in high school Board of Education elections on the same day. "Any resident of the College district in doubt as to the proper polling place should contact the College office at 223-8193," Peter Bakas, Dean of Business Services, indicated.

Bakas reminded voters that requirements for voting in the Junior College election are the same as in other school elections. A voter must be registered; over 18 years of age; and have lived in the State and in the College district for 28 days to be eligible to vote.

"Voters will be going to the polls on April 14 to vote for Board members of local school districts, and we urge them to be sure to vote in the Junior College election at the same time. We have made very effort to simplify the election by using the same polling places as used by the high schools. We hope that voters will take the opportunity to help select Trustees for the junior college board," Bakas stated.

Any voter who might be absent from the College district on election day is reminded to vote by absentee ballot. They can be requested by mail from the College offices. April 9 is the

last day to apply for a ballot by mail and April 11 is the deadline for applying in person at the College, 19351 W. Washington St., Grayslake.

Obituaries

MRS. MINNIE THOMPSON 87 years old of 3917 W. Jarlath, Lincolnwood, Illinois passed away on Tuesday, March 27th at Lutheran General Hospital in Park Ridge, Illinois. She was born October 20, 1885 in Chicago and resided at 4547 N. Damen for 83 years and spent the last 3 years with her daughter in Lincolnwood. She was preceded in death by her husband Walter Thompson on April 30, 1960, 1 son John Thompson on May 17, 1969 and 4 brothers.

Survivors are 1 son Walter E. Thompson (Spring Grove, Ill.) 1 daughter Mrs. Kathryn (Alfonso) Acierno (Lincolnwood, Ill.) 4 grandchildren and 4 great grandchildren.

Funeral services were held at 1:30 p.m. at the Strang Funeral Home in Antioch. Rev. Philip O. Laurin of St. Stephen Lutheran Church officiated. Interment was in Cole Cemetery near Spring Grove, Ill.

Christian Science Churches

A mother's faith in God is brought out in Matthew 15, and how her daughter was healed. The truth of this faith is brought out this week in the Lesson-Sermon entitled "Unreality" at Christian Science church services Sunday.

From Science and Health with Key to the Scriptures by Mary Baker Eddy we read "Jesus" demonstrations sift the chaff from the wheat, and unfold the unity and the reality of good, the unreality, the nothingness of evil."

Services at First church of Christ, Scientist, BEACON HILL, Rte 173 and Harden, Antioch, Illinois begin at 11 a.m. All are welcome to hear the truth that heals.

"GOD'S PRESENCE IS OUR REFUGE"

Listen this Sunday to the Christian Science Radio Series for some interesting insights on this question.

THE TRUTH
THAT HEALS

"HINDSIGHT'S BETTER THAN FORESIGHT"

Rev. Eugene Kousal

Just east of Main Street down Depot Street stands the old Antioch train station. It's old and weathered and has seen its day. How many friends and relatives have been greeted there! How many trains have passed her doors! The station serves few now but has become one of the buildings that thus far has withstood the modern age.

The station has grown old and was forced into retirement by the automobile. However it has not lost all value. Many times age forces change and development and greater value to surface. There are many people who would treasure the artifacts of the old station. Time has a way of forcing development and greater value in people. And because people grow, develop and are constantly changing so does Christianity. Christianity is people - the living sign of the presence of Jesus - who must grow in value as time marches on.

If Peter and Paul were to return to take a look at Christianity today, they might not recognize it. We can look back and see that Christianity has grown and developed and must continue to mature. Age has brought out greater value. Conflict has deepened faith. Witness has borne fruit.

Throughout all this we hope that Peter and Paul would be able to recognize us by the "love that we have for one another."

Mr. and Mrs. Joseph Haisman of Rte 5, Antioch with Mr. and Mrs. Robert Bell of Homestead, Fla., aboard the luxurious Emerald Seas sailing from downtown Miami to Nassau and Freeport. Photo was taken poolside just before departure. Passengers enjoyed the outdoor French cafe, discotheque, beautiful lounges, exceptional staterooms complete with closed circuit t.v. and music, all meals aboard ship. Visits to historic and quaint Nassau and modern Freeport included shopping, sightseeing, beautiful beaches. Daylight sailing from Nassau to Freeport gave passengers an opportunity to bask in the tropical sun and have a dip in the pool.

LAKE GENEVA RACING SATURDAY

Southern Wisconsin weekly stock car auto racing is set to start the 1973 season this weekend with racing at the Lake Geneva Raceway on Saturday night, April 7 at 7:00 p.m.

Multiple classes of stock cars will be featured in these early spring dates. The regular class sportsman, Jr. Sportsman and P.J. Stocks, will be joined by the high powered super modifieds.

Past Season veteran drivers at Lake Geneva Raceway will be joined by many new drivers.

Buy Low Liquors 3, Joe and Helens 0; Charmglow 3, Fargo Ice 0; State Farm 2, John and Jerry's 1; Antioch Builders 3, Paul's Shoe Repair 0.

Saturday night April 7 will mark the official start of the 1973 stock car racing season at the Waukegan Speedway. The 1/4-mile oval track is located just west of Waukegan on Washington Street.

Late Model Sportsman cars and hobby stock cars will race on Saturday nights with a field of 36 sportsman class cars forecast for the opener. Time trials start at 7:00 p.m. on the paved track with the first race taking the green flag promptly at 8 o'clock. A 25-lap event will highlight the program.

The full weekend schedule will start in May when the Sunday night program of Late Model Super Stock Cars run

their inaugural races on May 6. These cars feature top drivers in the Chicago area wheeling newer model, highly powered races.

George Dukas is the defending Sportsman champion and he is expected to face stiff competition in the opening races from runner-up Chuck Bostick, Ted Richter, Joe Horn and J.P. Gatti, Jr. Thes drivers accounted for 35 feature race wins during the '72 season at Waukegan. Dexter Lewey is the defending hobby champion and he will take a six-cylinder Chevrolet into action Saturday.

The weather played havoc with the Speedway's April openers last year forcing cancellation of 10 of the first 12

events. Snow, flood water and extreme cold accounted for those problems.

Track crews have been hard at work on the Speedway's grounds and they state only rain or snow at racetime with force postponement of the opener. Fans traveling some distance to the Speedway are urged to call (312) 662-8200 in the event of threatening weather for the latest track information. There will be no afternoon racing in April or May this Spring.

The Waukegan track opened in 1949 as a clay oval track designed primarily for midget auto races. Stock cars soon took over and have been popular there ever since. Gordon Sill took over the promotion reins in 1963 and had the track paved for the 1969 season.

The Waukegan track presents a lot of racing in a confined area with all-of-the-action right in front of the spectators. This form of short-track racing demands aggressive driver action every second of every race as there is no "laying back" or "outlasting" the opponents in the rapid-fire events.

Gordon Sill is President and General Manager of the Waukegan Speedway. John McKarns is the Assistant Manager and Scorer while Ted Gedville is the Director of Competition. Gordie Sill, Jr., of will handle the flagging duties for his third season and Dick Thomas is the track announcer.

The Speedway is located 1/4-mile east of Route 41 on Washington Street. Positioned nearly midway between Milwaukee and Chicago on four-lane highways, the track draws well from distant areas. There are acres of free parking at the Speedway.

Thank-You

At the annual A Club benefit this year a coaches trophy was presented to me between the 7th grade game and the donkey basketball game.

I was invited up to the game under false pretense, thanks to Paul Dye. I heard mention of a special award between games and thought maybe Tim Micure would receive something for 3 years of outstanding varsity basketball.

I was about to leave and pick up my wife to come to the donkey game and Paul Dye beckons me out on the floor. Needless to say I was speechless. As I reflect back on that fine moment, I remember being surrounded by men and women who have contributed many more years than I to the boys of Antioch.

Bernie Gutowski to my left, Dick Witt to the right, Jack Bodine Dick Kessler and Tom Poulos in front and countless others. I felt they should be receiving the trophy. I just happened to be in the right place at the right time.

The boys handing me the trophy meant the most to me. I know all the above mentioned men and also the coaches in our school systems here in Antioch only need the word "Thanks" from a boy or two to keep them coming back year after year. Thanks again boys, and to all the men who helped.

LAKERS GIRL SQUAD SEEKS NEW PLAYERS

Interested in playing for the Lake County Lakers girl softball team in the Northeastern Illinois League?

The Lakers are seeking players who are 14 years and older to compete in this 12 inch league, along with Forest Park, Joliet, Lombard, St. Charles, Geneva, Aurora and Dundee. "We are looking for some new

players and talent," comments manager Bill Newman of Libertyville. "There are some positions to fill because of loss of players."

The Lakers, who will play their home games at Ivanhoe, open their season June 8th.

Girls interested in trying out for the team should contact Newman at EM 2-7636.

RIFLES PLAN 1973

FOOTBALL SEASON ALREADY

The 1973 football season will start July 21 in this area when the Manitowoc Chiefs meet the Lake County Rifles at 7:30 p.m. in Carmel Field, Mundelein.

This opening exhibition game matches two of the most powerful teams in the Central States Football League. The Rifles last season won the southern division of the league while the Manitowoc squad was in contention up to the very end of the season for the northern division crown.

Season tickets for the Rifles are on sale at the team office, 117 East Cook Street. This year the tickets will cost \$18 for five league games and will include free parking for ticket holders. Individual game tickets are \$4 each plus an auto parking fee.

The Central States Football League is considered to be one of the top minor leagues in the United States.

The football played by the Rifles is of unusual interest because the fans are close to the field and easily can watch the action unfold. Attendance last year set a record as many football fans and families

discovered the Rifles for the first time and came out to the games, including people who said they came when they were unable to get the tickets they wanted for the major league football team in this area.

Lake County's first league home game will be August 4 when the Rifles meet the Delavan Red Devils and the last home game will be on September 22 against the Rockford Rams. The last game of the season will be played against Racine October 6 with the championship game two weeks later.

All home games will be played in Carmel Field on highway 176 in Mundelein. The field is located just west of the highway 176 exit for the Illinois Tollway and is only a 35 to 40 minute drive from downtown Chicago.

The games will start at 7:30 p.m. this season instead of the traditional 8:00 p.m. The main reason for the earlier start is that many fans said they would bring their children to the Saturday night games if play started earlier.

THINGS YOU MAY NOT KNOW ABOUT CONSERVING ELECTRICITY.

Do-it-yourself hints to cool food for less cost.

Refrigerators and freezers operate night and day. If they're not in proper working order, you can be wasting energy around the clock. These tips can help maintain them in top operating condition.

Door gasket test. To check the tightness of the door seal, place a piece of paper between the gasket and the cabinet. Close the door with normal force and

try to pull the paper straight out. There should be a slight drag.

Repeat the test at various places around the door, including the hinge side. If there are places where no drag occurs, have a service man check the gasket and the door for proper alignment.

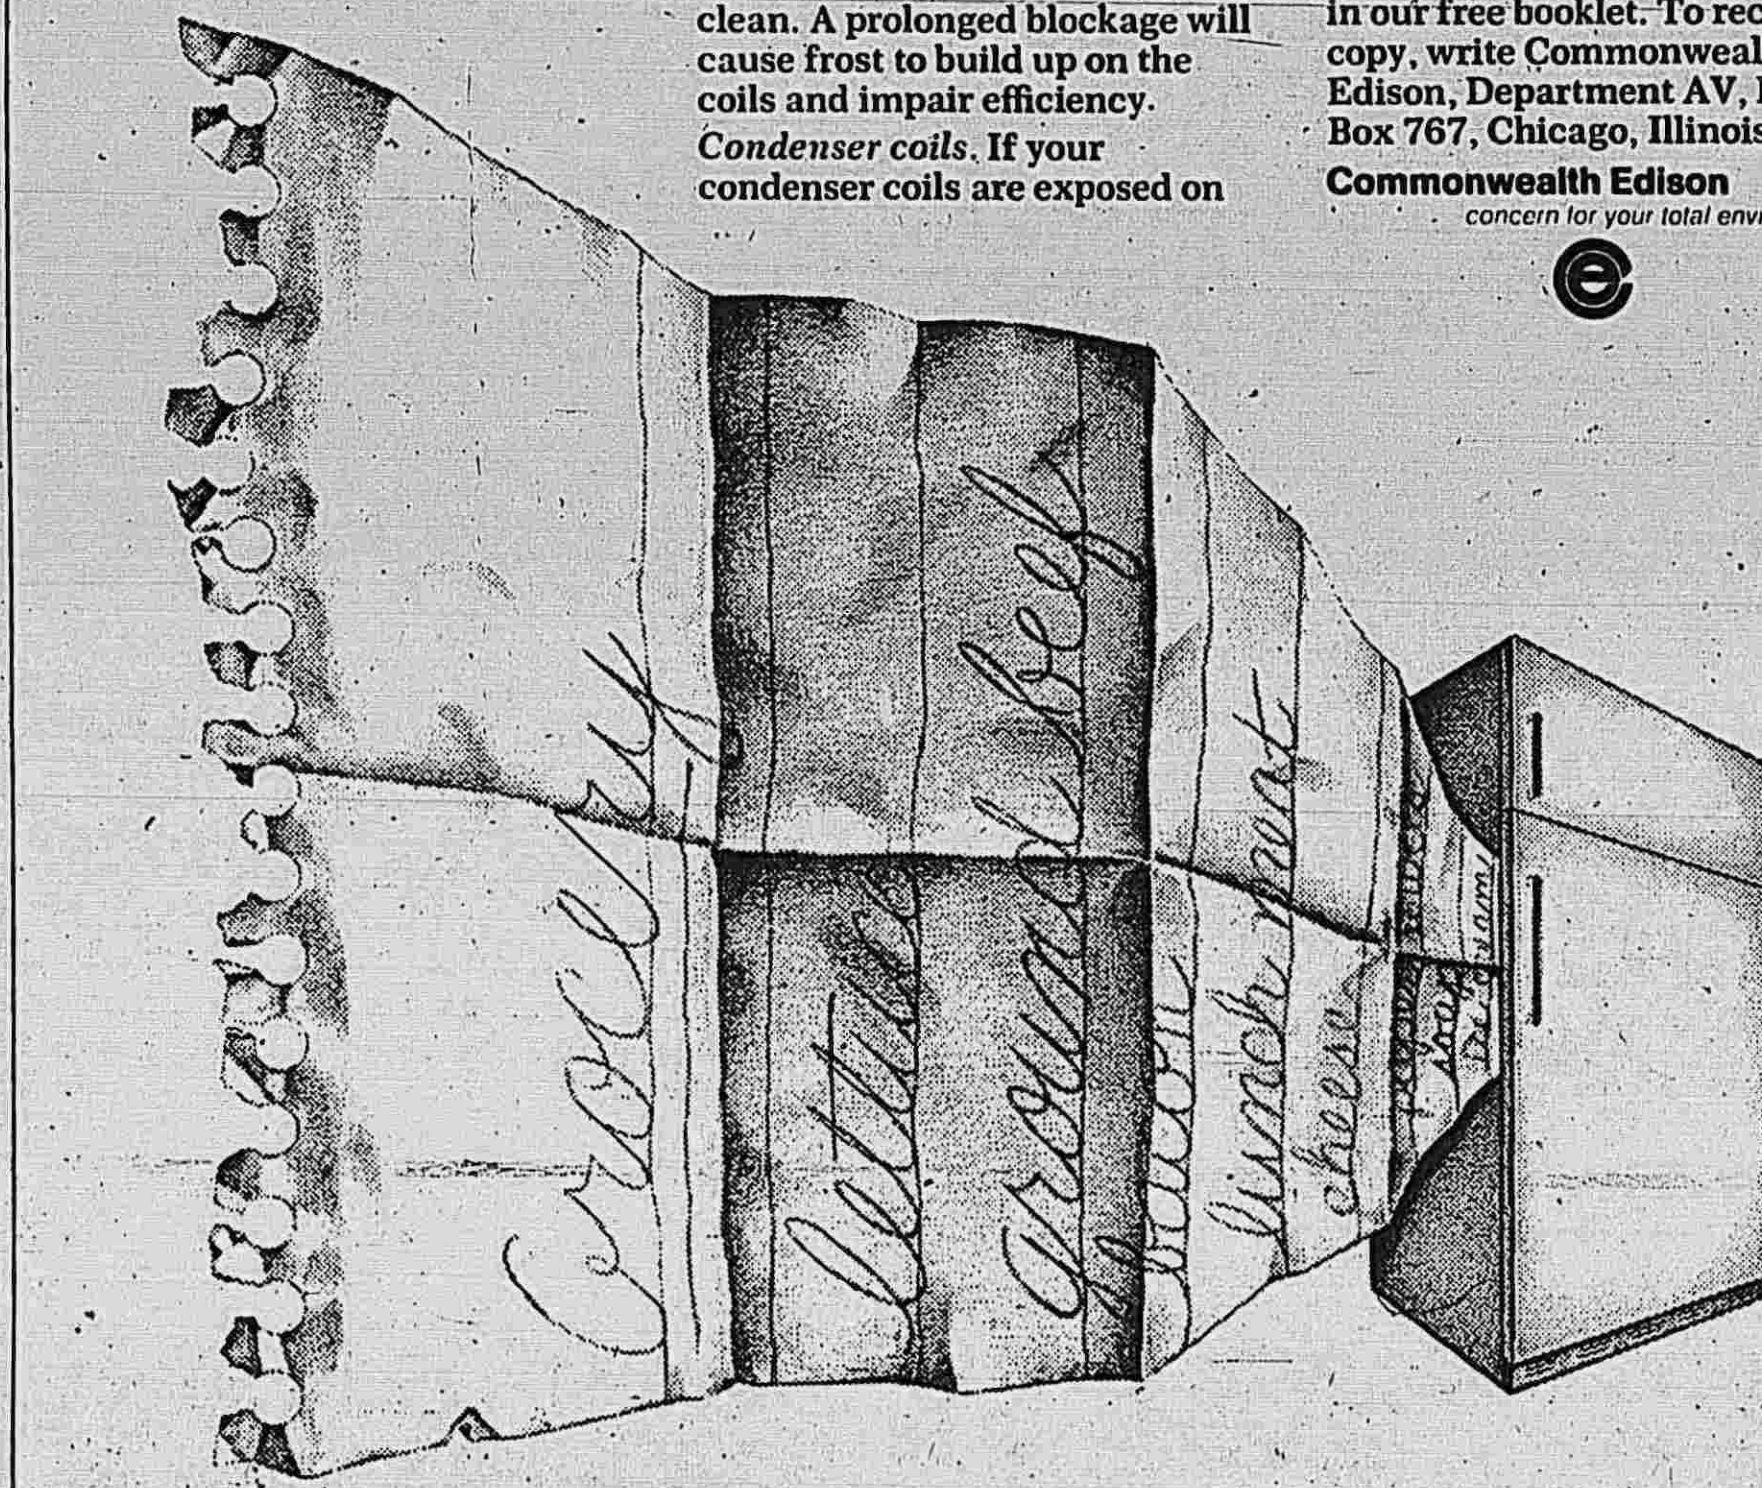

Condensate drain. If you have a no-frost or self-defrosting refrigerator, examine the condensate drain. Make sure it's clean. A prolonged blockage will cause frost to build up on the coils and impair efficiency.

Condenser coils. If your condenser coils are exposed on

the back of the unit, clean them regularly. Use a bristle brush or vacuum cleaner. Newer refrigerators have the condenser coils covered by a panel. Remove it for cleaning. Some models have coils beneath the unit. To clean, remove the front grill and vacuum.

These and other refrigeration hints are among the 101 ways to conserve electricity at home in our free booklet. To receive a copy, write Commonwealth Edison, Department AV, P.O. Box 767, Chicago, Illinois 60690.

ANTIOCH INVITATIONAL WRESTLING TOURNEY

A wrestler from the Antioch Upper Grade School attempts to take down an opponent. (Staff Photo)

On Saturday 130 Antioch area grade school wrestlers competed for honors in the fifth annual Antioch Invitational Grade School Wrestling Tourney. Representatives from Lake Villa, Emmons, Antioch, St. Peters, Grass Lake and Millburn schools were present.

The tournament is completely run by Antioch high school students. The mat officials for the tourney were: Keith Larsen, Tim Staples, Andy Feldmann and Dirk Dietz. The tournament manager and assistants were: John Meyer, Steve Olsen, and Jim January. The timers and scorers included: Steve Coles, Jim Morgan, Glen Bedman, Scott Shaffer, Mark Ring, Greg Nordstrom, Dennis Burnett, Robin Aerne, John Davis, Howard Muehlnickel and Ron

Cook. The success of this tournament is due directly to the help of these young men, and their willingness to donate their time to make this activity possible.

Ribbon Winners

60 pounds - 1. Glen McCollum, Lake Villa; 2. Joey Cencula, Lake Villa; 3. Robert Thain, Emmons.

65 Pounds - 1. John Gibson, Antioch; 2. Tim Haviland, Antioch; 3. Buddy Manusos, Lake Villa.

hwt. - 1. Rich Otterson, Antioch; 2. Rich Packert, Lake Villa; 3. Mike Wudtke, Lake Villa.

LITTLE LEAGUE SIGN UP

Registration for boys interested in playing baseball in the Antioch Minor, Little and Babe Ruth Leagues will be held on

**BEGINNERS
TSD RALLY**

Northern Illinois Sports Car Association is presenting a Beginner's TSD rally—open to anyone in any car. Be at Barnaby's, 3211 Belvidere Str., Park City on Sunday, April 1, 1973, at 12:30. Dash plaques will be given to all entrants. The top 10 percent finishing will receive trophies. Entrant fee is just \$4 for an afternoon of fun. Military pays only \$3.

A rally is a test of your ability to follow directions and calculate your speed and distances. This is the time to try your ability. There will be no gimmicks—only time, speed and distance will be determining factors.

three Saturdays, April 7, 14, and 21, at the Scout house on North Main Street. Registration will be from 12 til 4 p.m. on April 7, and 10 a.m. to 4 p.m. April 14 and 21.

Fees will be \$6 for 1 boy, \$11 for two boys and \$15 for 3 or more boys per family in minor and little leagues. Babe Ruth fees will be \$8 for 1 boy \$15 for 2 or more boys per family.

Due to limited facilities, registration will be restricted to boys attending Antioch, Channel Lake, Emmons, Grass Lake, Oakland, and St. Peters schools. Boys living outside these school districts may

register and will be put on a waiting list.

In the event openings do occur, boys from these lists will be accepted to fill out team rosters.

Boys must be 8 years old and not yet 13 before August 1, 1973 to be eligible for Minor and Little League. Babe Ruth league requires boys to be 13 and not yet 16 before August 1, 1973.

If there are any questions on any of the above, please feel free to call the League President, Dick Kessler at 395-0222 or League Secretary, Bernie Gutowski at 395-0864.

**RED WINGS ARE
FLOOR HOCKEY CHAMPS**

The YMCA Camp Hastings floor hockey season came to an end this weekend. Playoffs

beginning Saturday saw the Cougars edging out the heavily favored Canadiens. Cougar Coach Tom Burda had his team fired up for this game and the final score of this close, exciting contest was 11-10, Cougars on top. Leading scorer for Coach Harold Coolidge's Canadiens was John Blue with four goals; however Bruce and Harland Macker combined for all of the Cougar goals to upset the Canadiens with the final goal being scored with only four seconds left in the game.

Saturdays' second game saw Coach Bob Howes, Red Wings, defeat Coach Roger Schulz's Kings 7-4. The Kings led by Phil Herrera's hustling play and Craig Stockland's two goals were unable to overcome the tough Red Wing defense and offense.

Sunday's final championship play saw the Red Wings soundly defeat the Cougars 9-2. The Red Wings led by Tim Koesser, with 3 goals and fine goal tending by David Barker, kept the Cougars offense in check throughout most of the game. The Cougars played hustling hockey throughout the game with Mike Burda, Ray Edwards and Mark Miller playing outstanding, but they were unable to overcome a very determined Red Wing Team.

Hastings YMCA Camp Director Hank Bessler, would like to remind everyone in this years hockey program of the Awards Presentation Night, next Friday evening, April 6, at 7:30 p.m. in the Lake Villa Intermediate School, where trophies and awards will be presented to all boys who participated in this years floor hockey program.
